explanation: The shares to be transferred come from a performance share plan for Executive Board members and selected senior managers of OMV group companies with a three years performance period starting with 2018 until 2020 (Long Term Incentive Plan - "LTIP 2018"). The share grant level is determined on the basis of a value defined in the service agreement of the executive board member (Target Long Term Incentive), OMV's average share price during the calculation period January 1, 2018 to March 31, 2018, and the achieved performance criteria as determined by the Supervisory Board of OMV. The concrete share grant for the Member of the Executive Board under the LTIP 2018, as authorized by the Supervisory Board, amounts to 10,449 shares. According to the share plan, the vesting date is subject to the approval of the achieved performance criteria and the share transfer by the Supervisory Board. The Supervisory Board has provided its approval on April 15, 2021. According to the share plan, the Member of the Executive Board could opt for a payment in cash instead of a payment in shares at the latest by the third quarter of 2018. The Member of the Executive Board did not make use of this option. Therefore, the payment is, in line with the share plan, automatically made in cash. Calculation basis of the cash payment is OMV's average share price (= average of closing prices at the Vienna Stock Exchange) over the three-month period January 1, 2021 - March 31, 2021.
