Notes to the interim financial statements for the period from 1 July 2007 to 30 September 2007

General information

The financial information for the 3 months ended 30 September 2007 has been prepared under the International Financial Reporting Standards (IFRS). This is the first time for which the company has presented its financial statements under IFRS. The last financial statements under UK GAAP were for the year ended 30 June 2007.

The financial information for the year ended 30 June 2007 has been derived from the audited UK GAAP information adjusted for the impact of IFRS and is therefore unaudited. The financial information, together with the comparative information in these financial statements, does not constitute statutory accounts within the meaning of Section 240 of the Companies Act 1985.

The UK GAAP Statutory accounts for the year ended 30 June 2007 have been reported on by the company's auditors and delivered to the Registrar of Companies. The report of the auditors was unqualified and did not contain a statement under Section 237(2) or (3) of the Companies Act 1985.

1 Principal accounting policies

(a) Accounting conventions

The financial statements have been prepared for the first time in accordance with International Financial Reporting Standards. The principal accounting policies of the company are set out below.

(b) Deferred taxation

Deferred taxation is provided in full, using the liability, on timing differences which result in an obligation at the balance sheet date, at rates that are expected to apply when they crystallise based on current tax rates and law.

Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in the financial statements. Deferred tax assets and liabilities are not discounted.

(c) Pension costs

Contributions in respect of the company's defined contribution pension scheme are charged to the profit and loss account for the period in which they fall due.

(d) Foreign exchange

Monetary assets and liabilities expressed in foreign currencies are translated at the rate ruling at the balance sheet date.

All differences on exchange are dealt with in the profit and loss account.

(e) Share based payments

The company has applied the requirements of IFRS 2 "Share-based Payments" and has adopted the requirements of IFRIC 11 in respect of share based payments.

(k) Comparatives

Comparatives have been restated in respect of adoption of International Financial Reporting Standards (IFRS).
