

**EANS-Adhoc: Rosenbauer International AG /  
2010 result higher than expected, due to reversal of provision /  
Anti-trust proceedings in Germany end with official notice of 10.5 EUR Mio. fine**

ad-hoc disclosure transmitted by euro adhoc with the aim of a Europe-wide distribution. The issuer is solely responsible for the content of this announcement.

The German Federal Cartel Office has today served Rosenbauer with official notice of fines totalling 10.5 EUR Mio. to be imposed upon Rosenbauer International AG and Rosenbauer Feuerwehrtechnik GmbH. Rosenbauer will not contest the official decision imposing the fine, which is based upon a Settlement Agreement reached with the Federal Cartel Office.

Four German manufacturers had been accused of engaging in anti-competitive collusion in the municipal fire-fighting vehicle segment. The German Federal Cartel Office has now imposed total fines of 20.5 EUR Mio. upon three of the companies involved. Proceedings against a fourth manufacturer have not yet been concluded.

The proceedings had been underway at the Federal Cartel Office since 2009. For risk-policy reasons, Rosenbauer decided to set aside a provision at an early stage, in the financial year 2009, in an amount of 15 EUR Mio. The conclusion that has now been arrived at to these proceedings, permitting a partial reversal of the provision contributes to an improvement in the Rosenbauer Group's annual result for 2010. Until now, EBIT in the financial year 2010 had been expected to amount to around 45 EUR Mio..

The interim figures for 2010 will be announced on February 23, 2011.
