Subject Notification of conversion price calculation and paid-up capital increase registration

To The President
The Stock Exchange of Thailand

The Extraordinary General Meeting of Shareholders No.1/2022 of Samart Digital Public Company Limited, held on March 18, 2022, approved the issuance and offering of the newly issued Convertible Debentures of not exceeding Baht 1,000,000,000 by private placement to non-related persons, namely Advance Opportunities Fund ("AO Fund") and Advance Opportunities Fund 1 ("AO Fund 1"). The Convertible Debentures can issue from time to time until the total amount of not exceeding Baht 1,000,000,000. The Company has issued 2,213,029,597 ordinary shares with par value of Baht 0.10 in order to reserve for the exercise of the Convertible Debentures.

The Company offered and issued the Convertible Debentures No.1-7 on June 8, 2022 - October 21, 2022 amounting to Baht 150 million. The Debenture holders exercised their conversion rights on June 10, 2022 - October 19, 2022 amounting to Baht 102 million received 414,232,009 ordinary shares from their conversion. The Company registered its increase of paid-up capital on October 21, 2022. On October 28-31, 2022, the Debenture holders exercised their conversion rights amounting to Baht 5 million received 25,252,525 ordinary shares from their conversion.

The Conversion Price is not less than 90 percent of the weighted average price of the Company's shares trading on the Stock Exchange of Thailand for not less than 7 consecutive business days but not exceeding 15 consecutive business days prior to the date that the Debenture holders exercise their conversion rights. Therefore, it does not meet the criteria to prohibit the sale of shares within 1 year from the date of receiving the convertible securities (Silent Period). The weighted average price is calculated from the volume weighted average price of the Company's shares for each consecutive business days (Floating Conversion Price). The market price will be calculated with two digit decimals while the conversion price will be calculated with three digit decimals. Details of convertible price calculation using data from www.setsmart.com are as follows:
