PRESS RELEASE

EEl bags two new projects, raises aggregate Q3 project wins to P19.1-B

September 05, 2025, Manila, Philippines— Leading construction company EEl Corporation (EEI) has been awarded the construction of Cavite-Laguna Expressway (CALAX) Subsection 1 in Kawit, Cavite and Megaworld Corporation's Arcovia Hotel in Pasig City. This brings the Company's total project wins in the third quarter of 2025 alone to PHP 19.1 billion, marking a solid turnaround from its recorded performance in the previous year. The Company's total backlog or unworked portion of existing contracts as of end August 2025 is PHP 39.24 billion.

MPCALA Holdings Inc. (MHI) recently awarded to EEI the construction of selected sections of CALAX Subsection 1 in Kawit, Cavite. It is a PHP 2.7 billion project which covers the construction of the roadway, drainage systems, and related structures. Once completed, CALAX is expected to significantly improve connectivity between Cavite and Laguna, easing traffic congestion and supporting regional economic growth.

In the hospitality sector, EEI secured a contract with Megaworld Corporation for the construction of Arcovia Hotel in Pasig City. The scope of work includes civil, structural, and architectural finishing including painting and waterproofing works.

"These new project wins mark a significant turnaround for EEI, reflecting our resilience, competitiveness in the industry, and renewed growth momentum. More than expanding our portfolio, this infrastructure and building projects reaffirm our commitment to nation-building by helping drive economic growth, enabling connectivity, and delivering facilities that uplift the lives of our people and our communities," said EEI Senior Vice President and Head of Commercial and Operations, Anna Payawal- Figuera.

Backed by a healthy pipeline of projects, EEI looks forward to sustaining its growth trajectory and further contributing to the country's development and economic growth.
