so that this power shall expire on 20 December 2013 or, if earlier, at the conclusion of the annual general meeting of the company to be held in 2013 but so that the company may, before this power expires, make any offer, agreement or arrangement which would or might require equity securities to be allotted after such expiry and the directors may allot equity securities pursuant to such offer, agreement or arrangement as if this power had not expired.

General Notes

1. A member entitled to attend and vote at the meeting is also entitled to appoint a proxy or proxies to attend, speak and vote instead of him. A member may appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that member. A proxy need not be a member of the company. A form of proxy is enclosed with this notice and instructions for completion are shown on the form. Forms of proxy need to be deposited with the company's Registrars, Capita Registrars, Proxy Department, The Registry, 34 Beckenham Road, Beckenham, Kent, BR3 4TU, not less than 48 hours before the start of the meeting. Completion of a form of proxy does not preclude a member from attending and voting in person at the meeting, should they so wish.
2. Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, the time by which a person must be entered on the register of members in order to have the right to attend and vote at the annual general meeting is 6.00 p.m. on 19 September 2013 (being not more than 48 hours prior to the time fixed for the meeting) or, if the meeting is adjourned, such time being not more than 48 hours prior to the time fixed for the adjourned meeting. Changes to entries on the register of members after that time will be disregarded in determining the right of any person to attend or vote at the meeting.
3. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s) who will be able to take the appropriate action on their behalf.
4. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ("Euroclear UK & Ireland") specifications and must contain the information required for such instructions, as described in the CREST Manual. The time of receipt of a proxy appointment or an instruction to a previously appointed proxy will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent (CREST ID RA10) is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.
5. In the case of joint holders of a share the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders. For this purpose seniority is determined by the order in which the names of the holders stand in the register of members in respect of the joint holding.
6. Copies of (a) the directors' service contracts; (b) a statement of the directors' share interests and those of their families; will be available for inspection during normal business hours at the company's registered office. These documents will also be available for inspection at the place of the annual general meeting for at least 15 minutes prior to, and during, the annual general meeting.
7. The right to appoint a proxy does not apply to a person whose shares are held on their behalf by another person and who have been nominated to receive communications from the company in accordance with section 146 of the Act (a "Nominated Person"). Nominated Persons may have a right under an agreement with the registered shareholder who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if Nominated Persons do not have such a right, or do not wish to exercise it, they may have the right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.
8. As at 2 August 2012 (being the latest business day prior to the publication of this notice) the company's issued share capital consists of 96,852,493 ordinary shares of 10p each, carrying one vote each. Therefore, the total voting rights in the company are 96,852,493.
9. Under section 527 of the Act, members of the company representing at least 5% of the total voting rights of the company or at least 100 members who have a right to vote and hold shares in the company on which there has been paid up an average sum per member of at least £100, may require the company to publish on its website a statement setting out any matter relating to the audit of the company's accounts or any circumstances connected with an auditor of the company ceasing to hold office since the last annual general meeting that the members propose to raise at the meeting. Where the company is required to publish such a statement on its website, it may not require the members making the request to pay its expenses in complying with the request. The company must forward the statement to the company's auditor not later than the time when it makes the statement available on its website. The business of the meeting includes any such statement that the company has been required to publish on its website.
10. Explanatory notes in relation to the resolutions to be proposed at the meeting are set out immediately after these notes.

Explanatory Notes on the Resolutions

(1) Report and Accounts (Resolution 1)

The directors are required to present to the meeting the audited accounts and the reports of the directors and the auditor for the financial year ended 31 May 2012.

(2) Directors' Remuneration Report (Resolution 2)

The Directors' Remuneration Report has been prepared in accordance with the Act. The report also meets the relevant requirements of the listing rules and describes how the Board has applied the UK Corporate Governance Code relating to Directors' Remuneration. The report is set out in full on pages 18–22 of the 2012 Annual Report and Accounts.

(3) Directors (Resolutions 3, 4 and 5)

Biographical details of the directors seeking re-election are given on page 9 of the 2012 Annual Report and Accounts. Members of the Board have undertaken a rigorous performance evaluation and review of the directors including those who are retiring by rotation at the annual general meeting and are seeking re-election. The Board and the Nominations Committee continue to review the development plans for the Board and the proposed re-elections are consistent with the Board's plans for succession planning. Each director concerned continues to be an important member of the Board and has demonstrated their continuing commitment to the role.

Howard Ford and Reginald Gott are retiring in accordance with Article 85 of the company's Articles of Association and both, being eligible, are seeking re-appointment.

Howard Ford was appointed to the Board in December 2008 and became non executive chairman of the Board in September 2009. He is also chairman of the Nominations Committee and is a member of the company's Audit Committee and Remuneration Committee. Howard has served on the boards of both privately held and public companies as well as having many years of operations experience in the IT and telecoms sectors with IBM Europe, BT/Cellnet and Equant Network Services (where as managing director that company was listed on the New York Stock Exchange and the Paris Bourse before being acquired by France Telecom in 2005). In addition to Filtronic plc, he is chairman of Cambridge Semiconductor Limited, Light Blue Optics Ltd. and ZBD Displays Ltd.

Reginald Gott was appointed to the Board in July 2006. He has been chairman of the remuneration committee since June 2008 and is a member of the Nominations Committee and Audit Committee. Reginald has many years experience of operational and strategic roles. He was recently appointed chief executive of Resource Group Limited. From 2002 to 2008, he was executive director of FKI plc, an international diversified engineering group and from 2009 to 2012, he was Chief Executive of Nuair Group.

Graham Meek has served on the Board for over three terms of three years. He is therefore offering himself for re-election on an annual basis in accordance with the provisions of the UK Corporate Governance Code. The 2012 performance evaluation of directors confirmed that the Board has determined that Mr. Meek remains independent both in character and judgment and that there were no relationships or circumstances which were likely to affect his judgment as a director. Mr. Meek is the senior non-executive director and is chairman of the Audit Committee. He is also a member of both the Nominations Committee and Remuneration Committee. With his background in corporate finance and investment banking, he provides an important source of skill and expertise to the Board as currently constituted. He is non-executive director of Capital Gearing Trust plc and is currently acting chairman of King's College Hospital NHS Foundation Trust. He was chairman of ICM Computer Group plc until its takeover in June 2007 and was chairman of SPI Lasers plc until its takeover in October 2008.

(5) Re-appointment of auditor (Resolution 6)

The company is required to appoint an auditor at each annual general meeting at which accounts are laid before the company, to hold office until the end of the next such meeting. This resolution proposes the appointment and, in accordance with standard practice, gives authority to the directors to determine the remuneration to be paid to the auditor.

(6) Renewal of directors' power to allot shares (Resolutions 7, 8 and 9)

Resolution 7 – The Act provides that the directors may not allot ordinary shares unless authorised to do so by the company in general meeting or by its articles. This resolution proposes that the directors are given authority to allot ordinary shares up to an aggregate nominal amount of £3,228,416 without obtaining further consent of the company's shareholders. This is the equivalent of one-third of the issued share capital of the company as at 2 August 2012 (being the latest practicable date prior to publication of this document). The authority shall expire at the earlier of the close of the 2013 annual general meeting or 20 December 2013 and will replace the authority granted to the directors at last year's annual general meeting.

In addition, the proposed new authority will allow the directors to allot new shares and other relevant securities in connection with a rights issue up to a further aggregate nominal value of £3,228,416, equivalent to one-third of the company's issued ordinary share capital as at 2 August 2012. This proposed authority takes account of guidelines issued by the Association of British Insurers ("ABI"). Once this resolution is passed the directors will have the authority in certain circumstances to allot new shares and other relevant securities up to a nominal amount of £6,456,832, representing a total amount equal to two-thirds of the company's issued ordinary share capital as at 2 August 2012. The company has no present intention of undertaking a rights issue (nor of allotting new shares other than in the circumstances referred to below). However, the directors consider it desirable to have the maximum flexibility permitted by corporate governance guidelines in order to respond to market developments and to enable allotments to take place. If the directors do exercise the additional authority, they intend to follow emerging best practice as regards its use (including as regards to directors standing for reappointment in certain circumstances), as recommended by the ABI.

The directors have no present intention of allotting, or agreeing to allot any shares otherwise than in connection with the company's employee share schemes, to the extent permitted or required by such schemes. The directors may consider potential acquisitions and, in the event of one of these potential acquisitions proceeding, this may require the allotment of shares pursuant to this authority.

Resolution 8 - The directors have noted the choice offered to shareholders of many listed companies to elect to receive all or part of their dividend in shares instead of cash. Consequently, the directors are seeking renewal of the authority (in accordance with the company's Articles of Association) to offer shareholders scrip dividends in the form of fully paid ordinary shares in the company as an alternative to receiving dividends in cash. Although no decision has been taken to offer shareholders a scrip dividend, the directors would like to have the flexibility to do so, should this be in the company's best interests. If a scrip dividend scheme was to be introduced, then the directors would write to all shareholders in advance setting out further details of the scrip dividend scheme and its implications.

Resolution 9 – The Act gives holders of ordinary shares, with limited but important exceptions, certain rights of pre-emption on the issue for cash of new equity securities. The directors believe that it is in the best interests of the company that, as in previous years, the Board should have limited authority to allot some shares for cash without first having to offer such shares to existing shareholders. The directors' current authority expires at the 2012 annual general meeting and, accordingly, this resolution seeks to renew this authority on similar terms for a further period, expiring at the earlier of the close of the 2013 annual general meeting and 20 December 2013.

The authority, if granted, will relate to allotment in respect of rights issues and similar offerings (where difficulties arise in offering shares to certain overseas shareholders and in relation to fractional entitlements and certain other technical matters) and generally to allotments (other than in respect of rights issues) of equity securities having an aggregate nominal value not exceeding £484,262 (being approximately 5% of the issued ordinary share capital of the company as at 2 August 2012 (being the latest practicable date prior to the publication of this document)). This resolution complies with ABI guidelines. The directors do not intend to issue more than 7.5% of the issued ordinary share capital of the company for cash on a non-pre-emptive basis on any rolling 3 year period without prior consultation with the investment committees of the ABI and National Association of Pension Funds. The Board has no present intention of exercising this authorisation but wishes to have the flexibility to do so in the future.

(7) Purchase of own shares (Resolution 10)

This resolution is to grant the company authority to make market purchases of its own shares. The authority should not be taken to imply that shares will be purchased at any particular price or, indeed, at all. The authority will expire on the earlier of the conclusion of the 2013 annual general meeting and 20 December 2013. The resolution specifies the maximum number of shares which may be purchased (representing approximately 10% of the company's issued ordinary share capital as at 2 August 2012) and the maximum and minimum prices at which they may be bought, reflecting the requirements of the Act and the rules of the United Kingdom Listing Authority. The purchases will only be made on the London Stock Exchange. The directors have not yet decided whether such shares, if repurchased, would be cancelled or taken into treasury, and a decision would be taken in the light of prevailing circumstances. The Board will only exercise the power to make purchases of shares after consideration of the effects on earnings per share and the benefits for shareholders generally.

(8) General Meeting (Resolution 11)

Under the Companies (Shareholders' Rights) Regulations 2009 the notice period for general meetings of a company has been extended to 21 days unless certain requirements are satisfied. The company has met these requirements and accordingly resolution 11 is proposed to allow the company to continue to call general meetings on 14 clear days' notice. The directors believe it is in the best interest of the shareholders of the company to preserve the shorter notice period and accordingly are putting this resolution to the meeting. It is intended that this flexibility will only be used for non routine business and when merited in the interest of shareholders as a whole. The approval will be effective until the company's annual general meeting in 2013, when it is expected that a similar resolution will be proposed. It should also be noted that the changes to the Act mean that, in order to be able to call a general meeting on less than 21 clear days' notice, the company must make a means of electronic voting available to all shareholders.

(9) Political Donations (Resolution 12)

Part 14 of the Act prohibits the company and its subsidiaries from making political donations or from incurring political expenditure in respect of a political party or other political organisation or an independent election candidate unless authorised by the company's shareholders. Aggregate donations made by the group of £5,000 or less than any 12 month period will not be caught.

Neither the company or any of its subsidiaries have any intention of making any political donations or incurring any political expenditure. However, the Act defines "political party", "political organisation", "political donation" and "political expenditure" widely. For example, bodies, such as those concerned with policy review and law reform or with the representation of the business community or sections of it, which the company and/or its subsidiaries may see benefit in supporting, may be included in these definitions. Accordingly, the company wishes to ensure that neither it nor its subsidiaries inadvertently commits any breaches of the Act through the undertaking of routine activities, which would not normally be considered to result in the making of political donations and political expenditure being incurred.
