CHAIRMAN'S STATEMENT

Results

Revenue for the year was £2 83m (2009 £3 13m) with profit before tax, impairment and exceptional items of £288,000 (2009 £414,000)

The overall profit for the year attributable to equity shareholders was £242,000 (2009 loss of £432,000)

On 26th March 2010 the Company paid a special interim dividend of 1p per share to take the place of a final dividend and therefore the total ordinary dividend for the year is 1p per share (2009 1p per share)

The Commercial Property Market

In my interim statement I commented on the rise in values of certain sectors of the UK commercial property investment market and this has continued, albeit at a slower pace, through the first few months of the current calendar year

The rise in capital values appears to have been driven almost exclusively by non property fundamentals. Independent Financial Advisers have directed client money into property funds as a result of very low returns achievable elsewhere and foreign buyers have taken advantage of sterling's weakness. Supply has also been limited and against the demand, prices have risen.

IPD, the property industry index, shows that capital values fell from mid 2007 to mid 2009 by 44%. From that low point the index has risen 14% to the end of April 2010 against a backdrop of generally falling rental values. The current economic outlook gives little hope for a reversal of this trend in the near term. However Central London office rents, contrary to the general letting market, have stabilised and risen in some locations.

It is still far too early in the life of the new Coalition Government to judge what impact expenditure cuts will have on the economy generally and the property market in particular. The huge inflow of cash into property funds seen earlier in the year has slowed and buyers have become much more selective. We think it likely there will be some easing in values but we do not foresee a serious "double dip".

Outlook

The coming year is likely to be challenging. Fund and Asset Management together with Rating is strong. We are also working for a number of new clients and have more transaction business in the pipeline than in the previous two years which will hold us in good stead.

We have managed the business prudently during the downturn, adjusting our overhead as necessary and we have a strong balance sheet. Our staff have risen to the challenge brilliantly and they are to be congratulated.

David Fletcher
Chairman

BUSINESS OVERVIEW

The transaction side of our business improved in the second half of the year and we have started the new year with a level of sales instructions that we have not seen for some time

Acquisition of investment property has continued to be difficult and the sharp rise in values over the last six months has not made matters easier. However in the coming year we expect to be buying and three of our managed funds have cash to spend

Our Fund management mandates continue strongly and all the funds under our management are performing well

Despite comments to the contrary by both the outgoing Labour Government and the banks we see very little sign of lending to the investment market. The majority of transactions currently taking place are therefore by funds who require little or no debt

We have acquired two significant asset management clients during the second half of the year. Meghraj Properties Limited have appointed us to manage a £350m portfolio spread throughout the United Kingdom. A significant number of the buildings are service charge properties and from our initial inspection there will be interesting portfolio management opportunities over the coming years

Secondly, we have been appointed by Rabobank International to manage their 35,000sq ft office building in the City of London

The maintenance of income flow is of paramount importance to all of our clients, particularly in times such as this, and despite the tough economic conditions we continue, as we did last year, to collect 96% of all rents due within 3 days of the quarter day. This does not happen without a considerable effort by the management team chasing up late payers

Our quarterly and annual portfolio revaluations continue to flourish but the volume of bank security valuations remains at a low level due to the reluctance to lend on commercial real estate. There is currently little sign of this situation changing and it will be interesting to see if the change in Government has any effect

The expansion of our Rating client list, reported in my interim statement, has continued through the second half of the year with a number of new clients signed up for work on the 2010 Rating List and for many we are also appealing their 2005 Assessment

We are looking forward to a good year and expect that the outstanding 2005 Appeals will be agreed and progress will be being made on the 2010 List

DIRECTORS' REPORT

The Directors present their report and accounts for the year ended 30 April 2010

Principal Activities and Business Review

The Group carries on the business of property fund management, property asset management, rating, valuations and commercial estates agency, providing a comprehensive range of services and expert advice throughout the United Kingdom

A review of the Group's business and activities during the year and its future prospects is contained in the Chairman's Statement and Business Overview

Results and Dividend

The consolidated income statement is set out on page 12 The profit for the year after taxation is £242,000 (2009 loss of £432,000) The Directors do not recommend the payment of an ordinary final dividend (2009 1p per share) A special interim dividend of 1 0p per share was paid to shareholders on 26th March 2010 to take the place of a final dividend

Capital and equity interests

Basic and diluted earnings per share from continuing operations amounted to 2 63p (2009 0 47p) After accounting for discontinued operations, basic and diluted earnings per share from total operations amounted to 2 63p (2009 loss of 4 69p)

During the year no shares were issued to directors or employees pursuant to the exercise of share options The total number of ordinary shares in issue at 30 April 2010 was 9 2 million (2009 9 2 million)

Cash flow and liquidity

Net cash outflow from operating activities amounted to £4,000 (2009 outflow of £514,000) which, after allowing for cash flows including dividends and capital expenditure, resulted in a net decrease in cash balances of £162,000 (2009 £644,000)

At 30 April 2010, the Group's cash at bank and on short term deposit amounted to £2 0 million (2009 £2 1 million) This was deposited with banks with top credit ratings

Key Performance Indicators

There are three main key performance indicators for the Group, all of which are financial

- Group turnover
- Operating profit
- Earnings per share

These key performance indicators are reviewed in the Chairman's Statement and the Directors Report above

Treasury policies and risk management

The Group manages its treasury operations in accordance with policies and procedures approved by the Board Information about the Group's financial instruments is set out in note 3 of the accounts The Group has no borrowings As the Group operates almost exclusively in the United Kingdom, there are no significant direct foreign exchange risks The Group has in place a risk management programme that seeks to limit the adverse effects on the financial performance of the Group and these are outlined in note 25 to the accounts

Finance income and taxation

Income from the Group's available-for-sale investments and net bank interest amounted to £26,000 (2009 £87,000) reflecting lower prevailing interest rates

The effective taxation charge was 28% (2009 28.0%)

Political and Charitable Donations

During the year the Group made no charitable donations or political contributions (2009 £ nil)

Directors

The current Directors of the Company are set out below

D J R Fletcher	Chairman
R E G Goode	Managing Director
R A Dickman	Executive Director
H E Richardson	Non Executive Director
D H Stewart	Non Executive Director

D H Stewart and R A Dickman retire by rotation in accordance with the Company's Articles of Association, and being eligible offer themselves for re-election at the forthcoming Annual General Meeting

D H Stewart aged 64 had a long career in banking. At Abbey National he led the Business Finance division and was responsible for all business banking and asset finance activities of First National Bank and Abbey National. Prior to that he held senior appointments with TSB Group, Hill Samuel Bank, Creditanstalt and County Natwest Limited

R A Dickman, aged 52, is a Chartered Surveyor, and has been a director of Fletcher King Services Limited since May 1992. He has been in charge of the Valuation and Rating Department since that date

	295	46	350	40	731	693

No executive Directors at 30 April 2010 received any pension entitlements

Supplier Payment Policy

The Company's policy, which is also applied by the Group, is to settle the terms of payment with suppliers when agreeing the terms of each transaction. This ensures that suppliers are made aware of the terms of payment. Trade creditors of the Group at 30 April 2010 were equivalent to 27 days (2009 27 days) purchases, based on the amount invoiced by suppliers during the year

Corporate social responsibility

The Board recognises the importance of social and environmental matters in the conduct of the Group's business and remains committed to social and environmental awareness throughout its operations, notwithstanding the relatively low environmental impact of the Group's activities

Energy efficiency, recycling and the use of "fair trade" products are encouraged

The Board recognises that enthusiastic, well-trained and high-quality staff are essential to the achievement of the Group's commercial objectives. Participation in the success of the Group is encouraged via comprehensive incentive schemes

The Group provides employment on an equal basis irrespective of race, sex, disability, sexual orientation and religious beliefs. Employee communication and feedback is encouraged across the Group

Authority to Allot Unissued Shares

In accordance with normal practice the Directors propose to take the usual authorities under Sections 551 and 570 of the Companies Act 2006. Therefore it is proposed to extend the Section 551 authority given at the last Annual General Meeting on 18 September 2009 for a further year in respect of ordinary 10p shares up to a maximum of 1,790,221 shares (£179,022). Apart from possible issues under the Employee Share Option Scheme there is at present no intention of issuing any further ordinary shares. In any event, no issue will be made which would effectively alter the control of the Company without the prior approval of the Company in general meeting.

Purchase of Shares

The Directors, in line with boards of directors of other listed companies, consider that it would be appropriate for the Company to have the authority to purchase its own shares as one of a range of investment options available to them, more especially if the purchase of its own shares produced an improvement in earnings per share. Shareholders should be assured that the Board will commence share purchases only after careful consideration and after taking account of the overall financial position of the Group. An ordinary resolution will be proposed to authorise the Company to make market purchases of up to a maximum of 460,000 of its own shares, representing less than 5% of the existing issued ordinary shares. The maximum price to be paid on any exercise of the authority will be restricted to 5% above the average of the middle market quotation as derived from The London Stock Exchange Daily Official List for the ordinary shares for the ten dealing days immediately prior to purchase. The minimum price that may be paid for the ordinary shares is the nominal value of 10p per share. The authority for the purchase sought at the Annual General Meeting will expire at the conclusion of the following Annual General Meeting which is expected to take place in September 2010. The intention of the Board is to seek to renew the authority at future Annual General Meetings.

Statement of Directors' Responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with applicable law and International Financial Reporting Standards (IFRSs) as adopted by the European Union and, as regards the parent company financial statements, as applied in accordance with the provisions of the Companies Act 2006. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the group and of the profit or loss of the group for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and accounting estimates that are reasonable and prudent,
- state that the financial statements comply with IFRSs as adopted by the European Union,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the group will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Disclosure of information to the auditors

In the case of each person who was a Director at the time this report was approved, so far as that Director was aware there was no relevant available information of which the Company's auditors were unaware, and that Director had taken all steps that the Director ought to have taken as a Director to make himself aware of any relevant audit information and to establish that the Company's auditors were aware of that information.

Auditors

A resolution to reappoint the auditors, Nexia Smith & Williamson, will be proposed at the forthcoming Annual General Meeting.

This report was approved by the Board on 24 August 2010.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF FLETCHER KING PLC

We have audited the financial statements of Fletcher King plc for the year ended 30 April 2010 which comprise the Consolidated Statement of Comprehensive Income, the Consolidated and Parent Company Statement of Financial Position, the Consolidated and Parent Company Statements of Cash Flows, the Consolidated and Parent Company Statements of Changes in Equity and the related notes 1 to 26. The financial reporting framework that has been applied in their preparation is applicable law and International Financial Reporting Standards (IFRSs) as adopted by the European Union and as regards the parent company financial statements, as applied in accordance with the provisions of the Companies Act 2006.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on page 8, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the APB's website at www.frc.org.uk/apb/scope/UKNP.

Opinion on financial statements

In our opinion:

- the financial statements give a true and fair view of the state of the group's and the parent company's affairs as at 30 April 2010 and of the group's profit for the year then ended,
- the group financial statements have been properly prepared in accordance with IFRSs as adopted by the European Union,
- the parent company financial statements have been properly prepared in accordance with IFRSs as adopted by the European Union and as applied in accordance with the provisions of the Companies Act 2006, and
- the financial statements have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Nexia Smith & Williamson

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us, or
- the parent company financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

NOTES TO THE FINANCIAL STATEMENTS

1 General information

Fletcher King Plc ('the Company') and its subsidiaries (together 'the Group') carry on the business of property fund management, property asset management, rating, valuations and construction services throughout the United Kingdom. The Company is a public limited company incorporated and domiciled in England and Wales and listed on the Alternative Investment Market of The London Stock Exchange. The registered office address is 61 Conduit Street, London W1S 2GB. These consolidated financial statements were approved for issue by the Board of Directors on 24 August 2010. They are presented in sterling which is the Group's functional currency. The Group has no overseas operations.

2. Basis of preparation and presentation of financial statements

These consolidated financial statements have been prepared in accordance with International Financial Reporting Standards (IFRS) as adopted by the European Union applied in accordance with the provisions of the Companies Act 2006, and under the historical cost convention as modified by the revaluation of available-for-sale financial assets.

New standards and interpretations

At the date of authorisation of these financial statements, the following new Standards and Interpretations were in issue and relevant to the group:

IFRS 8, 'Operating segments' (effective 1 January 2009). IFRS 8 replaces IAS 14 Segment Reporting, and requires an entity to adopt a "management approach" to reporting on the financial performance of its operating segments.

IAS 1 (revised version – effective 1 January 2009). The revised standard introduces the concept of a statement of comprehensive income, which enables users of the financial statements to analyse changes in a company's equity resulting from transactions with owners separately from non-owner changes. The revised standard provides the option of presenting items of income and expense and components of other comprehensive income either as a single statement of comprehensive income or in two separate statements.

The adoption of these statements has only impacted disclosure and presentation in the Group's financial statements.

At the date of authorisation of these financial statements, the following new standards and interpretations have been issued but are not yet effective and have not been applied in these financial statements -

- IFRS 3 (revision) - Business Combinations
- IAS 2 (amendments) - Financial Instruments: Disclosure and Presentation
- IAS 24 (revision) – Related Party Disclosures
- IAS 32 (amendments) – Classification of rights issues
- IAS 36 (amendment) – Impairment of Assets
- IAS 39 (amendment) – Financial Instruments: Recognition and Measurement

The directors do not anticipate that the adoption of these standards and interpretations will have a material impact on the Group's financial statements. Certain of these standards and interpretations will require additional disclosures over and above those currently included in these financial statements in the period of application.

The preparation of financial statements in accordance with IFRS requires the use of certain critical accounting estimates and also requires management to exercise judgement in applying the Group's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are highly significant to the financial statements, are set out in note 3 below.

3. Principal accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies, which are also applicable to the financial statements of the Company, have been consistently applied to all the years presented.

Basis of consolidation

The financial statements consolidate the accounts of the Company and all subsidiary undertakings drawn up to the same year end.

Subsidiaries

Subsidiaries are entities over which the Group has the power to govern the financial and operating policies generally accompanying a shareholding of more than 50% of the voting rights. The existence and effect of potential voting rights that are currently exercisable or convertible are considered when assessing whether the Group controls another entity. Subsidiary entities are consolidated from the date on which control is transferred to the Group and are deconsolidated from the date on which control ceases.

In respect of subsidiaries, inter-company transactions, balances and unrealised gains on intra-group transactions are eliminated on consolidation.

The accounting policies of subsidiaries are changed where necessary to ensure consistency with the policies adopted by the Group.

Property, plant and equipment and depreciation

Property, plant and equipment are stated at historical cost, net of depreciation, at rates calculated to write off the cost, less residual value, of each asset over its expected useful life. Depreciation rates on a straight line basis are as follows -

Motor vehicles	25%
Office furniture and fittings	25%
Computer equipment	33%
Short leasehold premium and improvements	10%

Cost includes expenditure that is directly attributable to the acquisition of the asset. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the income statement during the financial period in which they are incurred.

Residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains and losses on disposal are determined by comparing proceeds with carrying amount. These are included in the income statement.

Segmental reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker as required by IFRS 8 "Operating Segments". The chief operating decision-maker, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Executive Committee.

The adoption of IFRS 8 for the first time this year has not resulted in any change to the basis of segmentation as under the previous standard (IAS 14 "Segmental Reporting") the Group had a single business segment defined as General Services.

Financial instruments

Financial assets and liabilities are recognised on the Group's balance sheet when the Group becomes a party to the contractual provisions of the instrument. Measurement depends on their classification and is discussed below.

(i) Investments

Investments held by the Company in subsidiary entities, not held for sale, are shown at cost less any provision for impairment.

The Directors determine the classification of investments held by the Group at initial recognition and re-evaluate this designation at each reporting date. At the balance sheet date all these investments were classified as available-for-sale. Available-for-sale investments are initially recognised at the fair value of the consideration given, including associated acquisition costs, which may equate to cost. On subsequent measurement, available-for-sale investments are measured at either fair value or at cost where fair value is not readily ascertainable. Changes in fair value are recognised in equity, together with the related deferred tax asset or liability. When such investments are disposed of, the accumulated gains or losses, previously recognised in equity, are transferred to the income statement.

Available-for-sale financial assets are included in non-current assets unless management intends to dispose of the investment within twelve months of the balance sheet date.

(ii) Trade and other receivables

Trade and other receivables are initially measured at fair value, and are subsequently measured at amortised cost using the effective interest method. A provision is established when there is objective evidence that the Group will not be able to collect all amounts due. The amount of any provision is recognised in the income statement.

All financial assets are reviewed annually for impairment, with any losses reflected in the income statement. Investment income is recognised in the income statement.

(iii) Cash and cash equivalents

Cash and cash equivalents include cash in hand, call deposits held with banks, and other short-term highly liquid investments with original maturities of three months or less.

(iv) Financial liabilities and equity

Financial liabilities and equity instruments issued by the group are classified in accordance with the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument. An equity instrument is any contract that evidences a residual interest in the assets of the Group after deducting all of its liabilities. The accounting policies adopted for specific financial liabilities and equity instruments are set out below.

(a) Trade and other payables

Trade and other payables are initially measured at fair value, and are subsequently measured at amortised cost using the effective interest rate method.

(b) Share capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction from the proceeds, net of tax.

Taxation

Current income tax is provided on taxable profits at the current rate. Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the consolidated financial statements. Deferred income tax is determined using rates enacted at the balance sheet date which are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled. Deferred income tax assets are only recognised to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilised.

Income tax and deferred tax are reflected in the income statement, unless they relate to items recognized in equity, in which case they are recognised in equity

Provisions

Provisions are recognised when the Group has a present legal or constructive obligation as a result of past events, it is probable that the Group will be required to settle the obligation, and the amount can be reliably estimated. Provisions are measured at the Directors' best estimate of the expenditure required to settle the obligation at the balance sheet date

Revenue recognition

Revenue comprises commissions and fees receivable excluding value added tax and is measured at fair value. Fees on property transactions and other contingent fee arrangements are recognised as earned on the unconditional completion of a contract or when a fee is contractually due. Fees for other professional services are recognised on completion of the assignment

Interest and investment income is recognised on a time-proportion basis using the effective interest method

Operating profit

Operating profit is stated before income from investments, finance income, costs and losses on impairment of available-for-sale investments and taxation

Employee benefits

No pension schemes are operated by the Group. Contributions to employees' money-purchase pension schemes are made on an arising basis where these form part of contractual remuneration obligations. The Group recognises a liability and an expense for cash-settled bonuses when contractually obliged or when there is a past practice creating a constructive obligation

The Executive Share Option Scheme and the 1996 Employee Share Option Scheme were accounted for at intrinsic value

Operating Leases

Leases where the lessor retains substantially all the risks and rewards of ownership are classified as operating leases. Payments made under operating leases are charged to the income statement on a straight-line basis over the period of the lease

Exceptional Items

Items of income and expense that are material by size and/or nature and are non-recurring are classified as exceptional items on the face of the income statement within their relevant category. The separate reporting of these items give an indication of the Group's underlying performance

Dividend Distributions

Dividends to the Company's shareholders are recognised as a liability when paid (if interim dividends) or approved by shareholders (if final dividends)

Critical accounting estimates and assumptions

The preparation of the consolidated financial statements in conformity with International Financial Reporting Standards requires management to make estimates and assumptions concerning the future. While the resulting accounting estimates will, by definition, seldom equal the related actual results, in the opinion of the Directors the estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are detailed below

(a) Impairment of available-for-sale investments

The fair value of available-for-sale investments is determined by reference to the underlying value of the assets of those investments at each balance sheet date. The Directors have made provisions for impairment where there is objective evidence that fair value is less than cost.

(b) Provisions for impairment of trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost less provision for impairment. The Directors have made provisions for impairment where there is objective evidence that the Group will not be able to collect all amounts due.

(d) Revenue recognition

The Directors regularly review the basis for recognition of revenue, which comprises commissions and fees receivable excluding value added tax. The directors consider that the basis for recognition of revenue will only materially affect the carrying amounts of assets and liabilities where quantity surveying, construction management and project management are concerned, due to the estimates and assumptions which underlie the value of work yet to be completed.

4. Segment Information – Group

In the current financial year, the Group has adopted International Financial Reporting Standard 8 – Operating Segments.

IFRS 8 requires operating segments to be identified on the basis of internal reports about components of the Group that are regularly reviewed by the chief operating decision maker to allocate resources to the segments and to assess their performance. In accordance with IFRS 8 the chief operating decision maker has been identified as the Executive Committee. They review the Group's internal reporting in order to assess performance and allocate resources. The Executive Committee considers that the business comprises a single activity being General Services. Therefore, the Group is organised into one operating segment and there is one reporting segment. The segment information is the same as that set out in the consolidated statement of comprehensive income, consolidated statement of financial position, consolidated statement of changes in equity and consolidated statement of cash flows.

The balance at 30 April 2010 of £250,000 represents a partnership interest in the Stratton House Investment Properties Limited Partnership which was acquired during the year ended 30 April 2007. This investment is stated at cost, which is equal to the fair value of the investment as the Partnership assets are represented entirely by cash.

An impairment loss of £178,000 was incurred in 2009 on a 2.5% holding in Stratton House Investment Property Syndicate '04 to revalue the investment to £nil. This remains the fair value of the investment as at 30 April 2010 and is based on the underlying value of the Syndicate's assets.

Trade receivables are non-interest bearing and generally have a 30-90 day term. Due to their short maturities, the fair value of trade receivables approximates their book value.

A provision for impairment of trade receivables is established when there is no objective evidence that the Group will be able to collect all amounts due according to the original terms. The group considers factors such as default or delinquency in payment, significant financial difficulties of the debtor and the probability that the debtor will enter bankruptcy in deciding whether the trade receivable is impaired.

Executive Share Option Scheme

As at 1 May 2009, no options were outstanding under this scheme. No new options were issued during the year.

1996 Employee Share Option Scheme

As at 1 May 2009, no options were outstanding under this scheme. No new options were issued during the year.

On transition to IFRS, the Group elected not to apply IFRS 2 to the granting of share options prior to 7 November 2002.

There is no change to the accounts in the year as all schemes had vested prior to the start of the year.

23. Capital and operating lease commitments and contingent liabilities

As at 30 April 2010 and 30 April 2009, neither the Group nor the Company had any capital commitments or contingent liabilities

As at 30 April 2010 and at 30 April 2009, the Group had outstanding commitments under non-cancellable leases which fall due as follows

Property leases relate to office premises occupied by the Group. Other leases relate to motor vehicles and office equipment.

24. Related party transactions

Transactions between the Company and its subsidiaries are in the normal course of business and are priced using arm's length prices. Such transactions are eliminated on consolidation.

Total inter-company balances between the Company and its subsidiaries, which are unsecured and which relate to the provision of working capital, are disclosed in the accounts.

Compensation paid to the Company's Board of directors and key management is disclosed in note 6 and in the Directors Report.

25. Financial instruments

The Group's and the Company's financial instruments comprise UK unlisted investments, cash and cash equivalents, and items such as trade payables and trade receivables which arise directly from its operations. The main purpose of these financial instruments is to provide finance for the Group's and the Company's operations.

The Group's and the Company's operations expose them to a variety of financial risks including credit risk, interest rate risk, liquidity risk and equity price risk. Commensurate with the size of the Group, the directors set the policies regarding financial risk management, and these are implemented accordingly by Group companies.

Credit risk

The Group's credit risk is attributable both to trade receivables and to cash balances held. The Company's credit risk is attributable primarily to cash balances held. The Group has implemented policies to ensure that credit checks are made on potential clients before work is carried out on their behalf. The amount of exposure to any individual counterparty is subject to limits set by the directors. Cash balances held are deposited with banks with AA rating.

The carrying amount of financial assets represents the maximum credit exposure. The maximum credit exposure to credit risk at the reporting date was

Trade receivables	815	717	-	-
Cash and cash equivalents	1,967	2,129	781	844
Other receivables	18	18	-	-
	2,800	2,864	781	844

Interest rate risk

The Group and the Company have interest bearing assets, but no interest bearing liabilities. Interest bearing assets comprise only cash and cash equivalents which earn interest at a variable rate. The interest earned on the Group's and the Company's cash and cash equivalents, denominated in sterling, derived principally from Money Market deposits of differing fixed time periods, and from call deposits held with banks which provide short-term liquidity to meet liabilities when they fall due.

The Group and the Company are exposed to interest rate risk as a result of these positive cash balances. For the year ended 30 April 2010, if LIBOR had increased by 0.5% with all other variables held constant, post tax profit and equity for the Group would have been £10,000 (2009: £8,500) higher, and for the Company £3,000 (2009: £4,000) higher. Conversely, if LIBOR had decreased by 0.5% with all other variables held constant, post tax profit and equity for the Group would have been £10,000 (2009: £8,500) lower, and for the Company £3,000 (2009: £4,000) lower.

The Group's cash and cash equivalents earned interest during the year at an average of 0.5% (2009: 3.45%), and the Company's cash and cash equivalents earned interest during the year at an average of 0.5% (2009: 3.11%).

Liquidity risk

The Group and the Company actively maintain cash and cash equivalents to ensure that there are sufficient funds available for a period of at least six months to meet liabilities when they fall due

The following table shows the contractual maturities of the Group's and the Company's financial liabilities, all of which are measured at amortised cost

	Group 2010 £000	Group 2009 £000	Company 2010 £000	Company 2009 £000
Financial liabilities falling due				
Within 1 month	403	409	38	26
From 2 to 3 months	104	432	-	5
From 4 to 6 months	57	57	63	-

Market risk and sensitivity analysis

Equity price risk

The Group is exposed to equity price risk because of investments held by the Group and classified as available for sale

The Group's continuing investments are sensitive to movements in property prices. The investment in the Stratton House Investment Property Syndicate '04 has been written down to zero based on recent property price movements and the underlying assets of the Syndicate

26. Capital risk management

The Group and the Company seek, when managing capital, to safeguard the Group's and the Company's ability to continue as going concerns, in order to provide returns for shareholders and to maintain an optimal capital structure to reduce the cost of capital

The Group and the Company define capital as being share capital plus reserves. The Board of Directors monitors the level of capital employed in order to achieve these objectives

NOTICE OF ANNUAL GENERAL MEETING

Notice is hereby given that the Annual General Meeting of Fletcher King Plc will be held at 61 Conduit Street, London W1S 2GB on 23 September 2010 at 9 00am for the following purposes

- 1 To receive and adopt the Directors' Reports and Accounts for the financial year ended 30 April 2010
- 2 To declare a final dividend for the financial year ended 30 April 2010
- 3 To re-elect D H Stewart as a Director, who retires by rotation in accordance with the Company's Articles of Association and who offers himself for re-election
- 4 To re-elect R A Dickman as a Director who retires by rotation in accordance with the Company's Articles of Association and who offers himself for re-election

Biographical details regarding these Directors are included in the accompanying Report and Accounts

- 5 To re-appoint Nexia Smith & Williamson as auditors to hold office from the completion of the meeting to the conclusion of the next meeting at which the accounts are laid before the Company, at a remuneration to be determined by the Directors

To consider and, if thought fit, to pass the following resolutions of which resolution number 6 will be proposed as an ordinary resolution and resolutions number 7 and number 8 will be proposed as special resolutions

6 ORDINARY RESOLUTION

That the Directors of the Company be and are hereby authorised generally and unconditionally for the purpose of Section 551 of the Companies Act 2006 (such authority to be in substitution for all previous authorities granted to the Directors for the purpose of the said Section 551 or Section 80 of the Companies Act 1985) to allot shares in the Company up to a maximum number of 1,790,221 of the unissued ordinary shares of 10p each of the Company with a nominal value of £179,022 10, such authority to expire at the conclusion of the next Annual General Meeting of the Company and at any time thereafter pursuant to any offer or agreement made by the Company before the expiry of this authority

7 SPECIAL RESOLUTION

That, subject to the passing of resolution 6, the Directors of the Company be and are hereby empowered pursuant to Section 570 of the Companies Act 2006 to allot equity securities (as defined in Section 560 of that Act) pursuant to the authority conferred by the immediately preceding resolution as if subsection (1) of Section 561 of the said Act did not apply to any such allotment, provided that this power shall be limited

(a) To the allotment of equity securities in connection with a rights issue in favour of ordinary shareholders where the equity securities respectively attributable to the interests of all ordinary shareholders are proportionate (as nearly as may be) to the respective numbers of ordinary shares held by them but subject to such other exclusions or arrangements as the Directors may deem necessary or expedient in relation to fractional entitlements for legal or practical problems under the laws of any territory or the requirements of any recognised regulatory body or any stock exchange in any country, and

(b) to the allotment (otherwise than pursuant to sub-paragraph (a) above) of equity securities up to an aggregate nominal value of £46,049 (being 5% of the said issued capital of the Company), and shall expire at the conclusion of the next Annual General Meeting of the Company unless it is renewed by special resolution of the Company in general meeting, provided that if the Company before such expiry shall make an offer or agreement which would or might require securities to be allotted after such expiry, the Directors of the Company may allot equity securities in pursuance of such offer or agreements as if the power conferred hereby had not expired

8 SPECIAL RESOLUTION

That the Company is hereby generally and unconditionally authorised to make one or more market purchases (within the meaning of Section 693(4) of the Companies Act 2006) of ordinary shares of 10p each in the capital of the Company ('ordinary shares') provided that

- (a) The maximum number of ordinary shares hereby authorised to be purchased is 460,000,
- (b) the maximum price which may be paid for an ordinary share is 5% above the average of the middle market quotations for shares of the same class as derived from The London Stock Exchange Daily Official List for the ten dealing days immediately prior to the date of the purchase of such shares and the minimum price that may be paid for an ordinary share is the nominal value of 10p per share,
- (c) the authority hereby conferred shall expire at the conclusion of the Annual General Meeting of the Company to be held in 2011 or eighteen months from the passing of this resolution, if earlier, unless such authority is renewed prior to such time, and
- (d) the Company may enter into a contract to purchase ordinary shares under the authority hereby conferred prior to the expiry of such authority which will or may be executed wholly or partly after the expiry of such authority and may make such purchases of ordinary shares in pursuance of any such contract or contracts

By order of the Board

Notes

- (a) A member of the Company entitled to attend and vote at the meeting covered by this notice is entitled to appoint a proxy or proxies to exercise all or any of his or her rights to attend, speak and to vote at the meeting instead of him or her. A member of the Company can only appoint a proxy using the procedures set out in these notes and the notes to the proxy form. A proxy need not be a member of the Company. To be valid the form of proxy must be completed, signed and deposited at the office of the Company's registrars not less than 48 hours before the time appointed for the meeting. Completion of the proxy does not preclude a member from subsequently attending and voting at the meeting in person if he or she so wishes. If a proxy has been appointed and the member subsequently attends the meeting in person, the proxy appointment will automatically be terminated.
- (b) To change your proxy instructions simply submit a new proxy appointment using the method set out above. Note that the cut-off time for receipt of proxy appointments (as above) also applies in relation to amended instructions, any amended proxy appointment received after the relevant cut-off time will be disregarded. Where you require another hard-copy proxy form in order to change the instructions, please contact the Company Secretary at 61 Conduit Street, London, W1S 2GB. If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.
- (c) In order to revoke a proxy instruction, you will need to inform the Company by sending a hard copy notice clearly stating your intention to revoke your proxy appointment to the office of the Company's registrars, Computershare Investor Services Plc, at PO Box No 1075, The Pavilions, Bridgwater Road, Bristol BS99 3FA. The revocation notice must be received by the Company no less than 48 hours before the time appointed for the meeting. In the case of a member which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice.

- (d) In accordance with Regulation 41 of the Uncertificated Securities Reg 21 September 2010 or, if the meeting is adjourned, shareholders entered on the Company's register of members at 6 00pm on the day which is two days before the day of the adjourned meeting, shall be entitled to attend and vote at the meeting
- (e) As at 30 April 2010, the Company's issued share capital comprised 9,209,779 ordinary shares of 10p each. Each ordinary share carries the right to one vote at a general meeting of the Company and, therefore, the total number of voting rights in the Company as at 30 April 2010 is 9,209,779
- (f) In order to facilitate voting by corporate representatives at the Meeting, arrangements will be put in place at the Meeting so that
 - (i) if a corporate member has appointed the Chairman of the Meeting as its corporate representative with instructions to vote on a poll in accordance with the directions of all the other corporate representatives for that member at the Meeting, then, on a poll, those corporate representatives will give voting directions to the Chairman and the Chairman will vote (or withhold a vote) as corporate representative in accordance with those directions, and
 - (ii) if more than one corporate representative for the same corporate member attends the Meeting but the corporate member has not appointed the Chairman of the Meeting as its corporate representative, a designated corporate representative will be nominated, from those corporate representatives who attend, who will vote on a poll and the other corporate representatives will give voting directions to that designated corporate representative

Corporate members are referred to the guidance issued by the Institute of Chartered Secretaries and Administrators on proxies and corporate representatives – www.icas.org – for further details of this procedure. The guidance includes a sample form of representation letter to appoint the Chairman as a corporate representative as described in (i) above.

- (g) Except as provided above, members who have general queries about the meeting should contact the Company Secretary. A member may not use any electronic address provided in this notice or in any related documents (including the proxy form) to communicate with the Company for any purposes other than those expressly stated.

Notes

1 Please indicate with an 'X' in the spaces provided how you wish your votes to be cast. If you do not indicate how your votes are to be cast the proxy will vote as he thinks fit or abstain. The "Vote Withheld" option is provided to enable you to instruct your proxy not to vote on any particular resolution. Please note that a "Vote Withheld" has no legal effect and will not be counted in the calculation of the votes "For" or "Against" a resolution. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the Meeting.

2 In the case of a corporation, this form of proxy must be executed under the common seal or under the hand of an officer or duly authorised attorney. In the case of joint holders, the vote of the senior who tenders a vote whether in person or by proxy shall be accepted to the exclusion of the votes of the other registered holders and for this purpose seniority shall be determined by the order in which the names stand in the register of members.

3 To be effective this form of proxy, and the power of attorney or other authority (if any) under which it is signed or a notarially certified or office copy of such power or authority, must be deposited at the office of the Company's registrars at

Computershare Investor Services Plc, at PO Box No 1075, The Pavilions, Bridgwater Road, Bristol BS99 3FA, not less than 48 hours before the time of the meeting.

4 Any alterations made to this form of proxy should be initialled

5 If you wish to appoint a proxy other than as above please delete the reference to the Chairman and insert the name of your proxy or proxies, who need not be members of the Company, in the space provided. A proxy must attend the meeting in person to represent you. Your appointment of a proxy will not preclude you from attending and voting at the meeting. If you wish your proxy to make any comments on your behalf, you will need to appoint someone other than the chairman and give them the relevant instructions directly. Where you appoint as your proxy someone other than the Chairman, you are responsible for ensuring that they attend the meeting and are aware of your voting intentions.

6 You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. You may not appoint more than one proxy to exercise rights attached to any one share. To appoint more than one proxy, please contact the Company registrars for more information at the address provided in note 3 sufficiently in advance of the meeting so that the requirements of note 3 may be complied with.
