

To All Known Creditors of the Company

23 December 2010

Our ref: SJH/DebtAdvisor/Final

Dear Sirs

The Debt Advisor Group plc (formerly Compass Finance Group plc) – in Administration (“the Company”)

In accordance with Rules 2.47 and 2.110 of the Insolvency Rules 1986 (“IR86”), the Joint Administrators (“the Administrators”) write to provide creditors with a final report on the progress and conclusion of the administration of the Company since the Administrators’ previous progress report dated 20 July 2010.

As confirmed in my previous report, Craig Anthony Livesey and Robert Jonathan Hunt replaced Michael Horrocks and Russell Cash as Joint Administrators with effect from 22 April 2009.

Statutory and financial information

We enclose the following for your information:

- | | |
|--------------|--|
| • Appendix A | Statutory information; |
| • Appendix B | Administrators’ final receipts and payments account; |
| • Appendix C | Extract from the Joint Administrators’ Proposals dated 21 August 2007; |
| • Form 2.24B | Administrator’s Progress Report; and |
| • Form 2.35B | Notice of move from administration to dissolution. |

Overview of the administration

The purpose of the administration, as detailed in the Proposals, was to fulfil objective (b) achieving a better result for the Company’s creditors as a whole than would be likely if the Company were wound up (without first being in administration). The Proposals were deemed approved in accordance with Rule 2.33(5), a meeting of creditors not having been requisitioned.

For the reasons outlined below the Administrators believe that the object of the administration has been achieved.

Realisation of outstanding assets

The position regarding the Company's assets was set out in the report to the period 28 June 2008 and is not repeated in this report. All assets had been realised by the date of the aforementioned progress report.

Extension to the administration

The Administrators considered it necessary that the administration was extended to allow the outstanding matters in the administration to be completed, principally the agreement of the unsecured creditors' claims and the distribution of funds to those creditors by virtue of the Prescribed Part. As confirmed in my previous progress report, a third extension of the administration was granted until 27 December 2010.

All outstanding matters have now been completed.

Distributions to Bank of Scotland Plc

Bank of Scotland Plc ("BoS") holds a fixed and floating charge over the Company's assets which was created on 8 March 2004. The total amount of funds distributed to BoS is £140,000.

Distribution to preferential creditors

A dividend has been paid to all admitted preferential creditors of the Company. The total amount of funds distributed was £40,434.11, representing a dividend of 100p in the £.

Distribution to the unsecured creditors

As previously stated, there was no dividend to non-preferential unsecured creditors of the Company other than by virtue of the Prescribed Part as provided for by Section 176A of the Insolvency Act 1986 ("IA86").

On 22 December 2010 a distribution via the Prescribed Part of £23,642, being 0.0102p in the £ was paid to all non-preferential unsecured creditors whose submitted claims had been agreed.

Receipts & payments account

Attached at Appendix B is an abstract of the receipts and payments of the Company.

Administrators' remuneration

The basis of the Administrators' remuneration has been approved by the secured and preferential creditors of the Company. To date, the Administrators have drawn remuneration of £111,739. No fees have been drawn since 15 November 2007 and no further fees will be drawn.

Ending the administration

The Administrators enclose a notice under paragraph 84(1) Sch.B1 IA86 following registration of which the Company will be dissolved three months later.

Pursuant to a resolution passed by the secured creditor and majority in value of the voting preferential creditors, the Administrators will be discharged from liability in respect of any action of theirs as Administrators when their appointment as Administrators ceases to have effect.

Yours faithfully
for and on behalf of the Company

b. Proposals for achieving the purpose of the Administration

The Administrators make the following proposals for achieving the purpose of administration.

- i) The Administrators will continue to manage the Company's affairs and property in such manner as they consider expedient with a view to achieving a better result for the Company's creditors as a whole than would be likely if the Company were wound up, without first being in Administration.
- ii) The Administrators may investigate and, if appropriate, pursue any claims that the Company may have under the Companies Act 1985 or IA86 or otherwise. In addition, the Administrators shall do all such other things and generally exercise all their powers as Administrators as they in their discretion consider desirable in order to achieve the purpose of the Administration or to protect and preserve the assets of the Company or to maximise their realisations or for any other purpose incidental to these proposals.
- iii) If the Administrators think that funds will become available for unsecured creditors, the Administrators may at their discretion establish in principle the claims of unsecured creditors for adjudication by the Administrators or a subsequent liquidator and the costs of so doing can be met as a cost of the Administration out of the Prescribed Part as costs associated with the Prescribed Part.
- iv) If the Administrators think that funds will become available for unsecured creditors, the Administrators may at their discretion make an application to court for permission to make distributions to unsecured creditors under Paragraph 65(3) Sch.B1 IA86.
- v) As the Administrators currently hold the view that there will be insufficient funds to enable a distribution to be made to unsecured creditors other than potentially by virtue of the Prescribed Part as provided for by Section 176A IA86, they are not seeking to form a creditors' committee.
- vi) Should the Administrators conclude that the cost of making a distribution to unsecured creditors by virtue of the Prescribed Part would be disproportionate to the benefits then the Administrators will make an application to the court under Section 176A(5) IA86 for an order not to distribute the Prescribed Part to unsecured creditors.
- vii) Should it become apparent that an extension is required to the Administrators' term of office the Administrators shall either apply to the court or seek consent from the appropriate classes of creditors as defined in (ix) below.
- viii) The Administrators may use any or a combination of "exit route" strategies in order to bring the Administration to an end, but in this particular instance the Administrators are likely to wish to pursue one of the following options as being the most cost effective and practical in the present circumstances: -
 - (a) Once asset disposals are complete, the Administrators will apply to the Court to allow the Administrators to distribute surplus funds, if any, to unsecured non-preferential creditors. If such permission is given, the Administration will be brought to an end by notice to the Registrar of Companies under Paragraph 84 Sch.B1 IA86, following registration of which the Company will be dissolved three months later. If permission is not granted the Administrators will place the Company into creditors' voluntary liquidation or otherwise act in accordance with any order of the court.
 - (b) Alternatively, once asset disposals are complete, the Administrators may place the Company into creditors' voluntary liquidation. In these circumstances, it is proposed that Russell S Cash and Michael Horrocks be appointed as Joint Liquidators and any act required or authorised to be done by the Joint Liquidators may be done by either or both of them. In accordance with Paragraph 83(7) Sch.B1 IA86 and Rule 2.117(3) IR86, creditors may nominate alternative liquidators, provided that the nomination is made after the receipt of these proposals and before they are approved.
 - (c) If there are insufficient funds with which to make a distribution to unsecured non-preferential creditors, once all of the assets have been realised and the Administrators have concluded all work within the Administration, the Administrators will file a notice under Paragraph 84(1) Sch.B1 IA86 with the Registrar of Companies to end the Administration, following registration of which the Company will be dissolved three months later.

Appendix C: Extract from the Administrators' proposals

- ix) The Administrators shall be discharged from liability pursuant to Paragraph 98(1) Sch.B1 IA86 in respect of any action of theirs as Administrators at a time resolved by the secured creditor, or if a distribution has been or may be made to the preferential creditors, at a time resolved by the secured and preferential creditors or in any case at a time determined by the Court.
- x) It is proposed that the Administrators' fees be fixed under Rule 2.106 IR86 by reference to the time properly given by the Administrators and the various grades of their staff according to their firm's usual charge out rates for work of this nature and that Category 2 disbursements (as defined by Statement of Insolvency Practice No.9) be charged in accordance with their firm's policy. As the Administrators have stated that they think that the Company has insufficient property to enable a distribution to be made to non-preferential unsecured creditors other than potentially by virtue of Section 176A IA86, it will be for the secured creditor and if appropriate the preferential creditors, to determine these.
