Holding announcement according to article 93 section 2 BörseG

Wienerberger AG: Change in Wienerberger's Shareholder Structure

Vienna (pta016/10.12.2014/17:23) - - **The Teachers Insurance and Annuity Association of America (TIAA), which is based in the USA, holds less than 4% of Wienerberger stock**

Wienerberger AG received an announcement in accordance with Sec. 91 seq. of the Austrian Stock Exchange Act from the US-based College Retirement Equities Fund ("CREF"), the US-based Teachers Insurance and Annuity Association of America ("TIAA") and the US-based TIAA-CREF Investment Management, LLC about the following changes in holdings of Wienerberger stock:

1. On December 4, 2014, CREF sold 175,810 shares/voting rights of Wienerberger AG, reducing its total holdings in Wienerberger AG to 4,586,266 shares/voting rights. By selling the 175,810 shares/voting rights of Wienerberger AG, CREF has therefore as of December 4, 2014 fallen below the 4% voting rights threshold.

2. CREF is exclusively managed by US-based TIAA-CREF Investment Management, LLC, which is wholly owned by US-based TIAA-CREF Asset Management LLC (a holding company), which is in turn wholly owned by TIAA.

The voting rights of the above mentioned 4,586,266 shares (3.902%) in Wienerberger AG directly held by CREF can be exercised independently by TIAA-CREF Investment Management, LLC in its own name pursuant to a Policy Statement on Corporate Governance.

Therefore, the above mentioned 4,586,266 shares (3.902%) are attributable also to TIAA-CREF Investment Management, LLC pursuant to sec 92 (5) of the Austrian Stock Exchange Act. TIAA-CREF Investment Management, LLC has, thus, fallen below the 4% threshold as of December 4, 2014.

3. Since TIAA-CREF Investment Management, LLC - as outlined above - is an indirect wholly owned subsidiary of TIAA, the total voting rights of 3.902% in Wienerberger AG are attributable - pursuant to the requirements of the Austrian Stock Exchange Act - to TIAA which has fallen below the 4% threshold as of December 4, 2014.
