PRESS RELEASE **14 November 2018**

WENTWORTH RESOURCES PLC
("Wentworth" or the "Company")

Delisting from the Oslo Stock Exchange

Wentworth, the Oslo Stock Exchange (OSE: WEN) and AIM (AIM: WEN) listed independent, East Africa-focused oil & gas company: Reference is made to the announcement by the Oslo Stock Exchange published today 14 November 2018 regarding the resolution to delist the Company's shares (in the form of registered beneficial interests (deposit rights)) (the “**Securities**”) from the Oslo Stock Exchange.

Following the Company's application for delisting in October 2018, Wentworth is pleased to announce that the Oslo Stock Exchange has resolved to delist the Securities from the Oslo Stock Exchange. As set out in the announcement by the Oslo Stock Exchange earlier today, the Securities will be delisted from the Oslo Stock Exchange from 14 February 2019. The last day of listing will be 13 February 2019.

The Company will in due course publish further information about the delisting relevant for shareholders of the Company whose Securities are registered in the Norwegian Central Securities Depository and traded on the Oslo Stock Exchange.

The Company's shares will continue to be listed on AIM.

-Ends-

About Wentworth Resources

Wentworth Resources is a publicly traded (OSE: WEN, AIM: WEN), independent oil & gas company with natural gas production; exploration and appraisal opportunities, all in the Rovuma Delta Basin of coastal southern Tanzania and northern Mozambique.

Inside Information

The information contained within this announcement is deemed by Wentworth to constitute inside information as stipulated under the Market Abuse Regulation (EU) no. 596/2014 ("MAR"). On the publication of this announcement via a Regulatory Information Service ("RIS"), this inside information is now considered to be in the public domain.

Cautionary note regarding forward-looking statements

This press release may contain certain forward-looking information. The words "expect", "anticipate", believe", "estimate", "may", "will", "should", "intend", "forecast", "plan", and similar expressions are used to identify forward looking information.

The forward-looking statements contained in this press release are based on management's beliefs, estimates and opinions on the date the statements are made in light of management's experience, current conditions and expected future development in the areas in which Wentworth is currently active and other factors management believes are appropriate in the circumstances. Wentworth undertakes no obligation to update publicly or revise any forward-looking statements or information, whether as a result of new information, future events or otherwise, unless required by applicable law.

Readers are cautioned not to place undue reliance on forward-looking information. By their nature, forward-looking statements are subject to numerous assumptions, risks and uncertainties that contribute to the possibility that the predicted outcome will not occur, including some of which are beyond Wentworth's control. These assumptions and risks include, but are not limited to: the risks associated with the oil and gas industry in general such as operational risks in exploration, development and production, delays or changes in plans with respect to exploration or development projects or capital expenditures, the imprecision of resource and reserve estimates, assumptions regarding the timing and costs relating to production and development as well as the availability and price of labour and equipment, volatility of and assumptions regarding commodity prices and exchange rates, marketing and transportation risks, environmental risks, competition, the ability to access sufficient capital from internal and external sources and changes in applicable law. Additionally, there are economic, political, social and other risks inherent in carrying on business in Tanzania and Mozambique. There can be no assurance that forward-looking statements will prove to be accurate as actual results and future events could vary or differ materially from those anticipated in such statements. See Wentworth's Management's Discussion and Analysis for the year ended December 31, 2017, available on Wentworth's website, for further description of the risks and uncertainties associated with Wentworth's business.
