Copenhagen, 10. May 2017

Hugo Games Adds FC Porto to Line-up of Legendary Soccer Clubs to be Featured in New “*Soccer League*” Mobile Game

Many Top Clubs in the World, Including Real Madrid, Arsenal and FC Barcelona, to be in Game

COPENHAGEN (May 10, 2017) – Many of the top football clubs in the world are coming together to be featured in a blockbuster new mobile soccer game to be released in Q3 2017. Hugo Games A/S (OAX: HUGO), a mobile interactive entertainment developer and publisher of mobile games, today announced that FC Porto, one of the most popular and successful clubs in Portugal, is joining with Arsenal, Real Madrid and FC Barcelona as the first four teams to be included in the new game. Hugo Games today also officially released the title of the game: *Soccer League*.

FC Porto is the first Portuguese team to join the game. The Dragons’ rich history dates to 1893 and the team has fans all over the globe. *Soccer League* for iOS and Android, will allow gamers to compete against other competitors from around the world in real-time, online and offline player-vs-player competitions. Gamers can improve their team with Juventus players that can be enhanced with power boosts and new skills.

“FC Porto is one of the most successful team in the history of Portuguese soccer and we know that *Soccer League* players will be excited to take the virtual pitch with some of their favorite players,” said Henrik Kølle, CEO in Hugo Games. “Hugo Games is committed to making *Soccer League* a fun, fast, action-packed soccer game, unlike anything else currently available and the addition of FC Porto will help make the game even better!”

With the addition of FC Porto to its already impressive line-up of licensed properties, Hugo Games continues to be a world leader in the development and publishing of mobile sports games. Games from Hugo Games feature soccer legend Cristiano Ronaldo, skateboard superstar Nyjah Huston and soccer powerhouses Arsenal, FC Barcelona and Real Madrid.
