**Hugo Games Adds Dortmund to Line-up of Legendary Soccer Clubs  
to be Featured in New “*Soccer League*” Mobile Game**

Many Top Clubs in the World, Including Real Madrid, Arsenal and FC Barcelona, to be in Game

**COPENHAGEN (May 11, 2017)** – Dortmund, one of the most popular football clubs in German soccer history, is making history again as today Hugo Games A/S (OAX: HUGO), a mobile interactive entertainment developer and publisher of mobile games, announced that the famed Bundesliga club is the first German-based team to join “*Soccer League*,” the eagerly anticipated mobile game that will be released in Q3 2017.

Dortmund is joining with many other top clubs from around the world including Arsenal, Real Madrid and FC Barcelona as the first teams to be included in the new game. With the highest average attendance of any association football club in the world, Dortmund is one of the most popular teams in the world. Top players from BVB that will be included in *Soccer League* include: Pierre-Emerick Aubameyang, Ousmane Dembele, Julian Weigl, Felix Passlack and Raphael Guerreiro

*Soccer League* for iOS and Android, will allows gamers to compete against other competitors from around the world in real-time, online and offline player-vs-player in table soccer competitions. Gamers can improve their team with Dortmund players that can be enhanced with power boosts and new skills.

“Dortmund is one of the most popular and successful team in the history of German soccer and we know that *Soccer League* players, whether from Germany or anywhere else in the world, will be excited to take to the virtual pitch as their favorite team,” said Henrik Kølle, CEO in Hugo Games. “Hugo Games is committed to making *Soccer League* a fun, fast, action-packed soccer game, unlike anything else currently available and the addition of Dortmund will help make appeal to even more fans and bring another level of intensity to the title!”

With the addition of Dortmund to its already impressive line-up of licensed properties, Hugo Games continues to be a world leader in the development and publishing of mobile sports games. Games from Hugo Games feature soccer legend Cristiano Ronaldo, skateboard superstar Nyjah Huston and soccer powerhouses Arsenal, FC Barcelona and Real Madrid.
