About Play'n GO: Play'n GO is an award-winning supplier of high-quality gaming content to many of the world's leading casino brands. Its genuine omni-channel solution can be tailored to suit the needs of individual online and land-based partners, regardless of geographical, regulatory, or market-specific requirements. About Nyjah Huston: Deemed "The X-Factor" by ESPN as the skateboarding phenom who will change the course of the sport over the next decade, Team USA's Nyjah Huston, who is the reigning 2019 SLS World Champion (for the third consecutive year), has steadily progressed the world of men's street skateboarding and action sports since becoming the youngest X Games competitor at age 11. He has taken home 12 X Games gold medals and three "Best Male Action Sports Athlete" ESPY Awards (2013, 2014, 2019). 24-year-old Huston touts a historic collection of titles and trophies over his illustrious 13-year career, and continues his reign as the winningest, most decorated professional skateboarder in history. Huston had the rare honor of releasing his first signature shoe with Nike in Spring 2018 and the Nyjah 2 is set for a Spring 2020 release. He continues to gain momentum as he approaches what he hopes to be his first Olympics in Tokyo 2021, when skateboarding also makes its Olympic debut. The prodigy, entrepreneur, philanthropist (Let It Flow) and born risk-taker shows us what living life, seemingly void of all fear, looks like. Huston originally hails from Davis, CA, and currently resides in Southern California.
