**5th Planet Games Announces Invincible Presents: Atom Eve, a Visual Novel RPG Video Game
Co-Financed By 5th Planet Games will be available on November 14, 2023.**

COPENHAGEN – Oct 27th, 2023 - 5th Planet Games A/S (OAX: 5PG), the video game financier behind hit games like Escape Academy, WrestleQuest, and now the first original video game in the Invincible universe, Invincible Presents: Atom Eve, has announced the game will be available for PC on November 14, 2023.

Developed by Terrible Posture Games (The Walking Dead: Last Mile, Mothergunship) with Creative Director, Jill Murray (Narrative Lead/Design on Assassin's Creed III: Liberation, Shadow of the Tomb Raider, Boyfriend Dungeon) and Art Director, Rossi Gifford (Illustrator and Character Designer Riot Games, Marvel, and Skybound), Invincible Presents: Atom Eve will allow players to become Atom Eve, the eponymous super hero from the Invincible comic books and animated series.

Players can explore Atom Eve's life beyond the story they already know and love from the comics and animated series and face the difficulties that come with balancing the dangers and responsibilities of her superhero life with the everyday challenges of school, friends, family, and romantic interests. Dramatic player choices that shape Atom Eve's relationships will define the outcome of the story across multiple paths and choosing how to develop Eve's skills can increase her power, unlock special combat skills for use in vivid comic-book-style combat, or unlock unique dialogue options to further play your story, your way.

"We're so excited to finally bring the graphic novel story of Atom Eve to life in this video game. It has already received critical acclaim for its beautiful visuals and cozy feel. Atom Eve is one of the most beloved characters in the Invincible universe and it felt natural to choose her as our first original game in that universe," said 5th Planet Games CEO Mark Stanger.

For more Atom Eve, fans can watch the critically acclaimed adult animated superhero series Invincible on Prime Video. The first episode of Season Two is available now and will be followed by the first half of its eight-episode second season on November 3, with new episodes weekly. Following a mid-season hiatus, the second half of Season Two will premiere in early 2024. Invincible will be available exclusively on Prime Video in more than 240 countries and territories around the world.

About 5th Planet Games

5th Planet Games is a video games publisher located in Copenhagen, active in games across all global platforms and devices. It has a long and successful history of working with established brands and strong IP. Now, in partnership with Skybound Entertainment, the company will extend access to compelling, global IP such as The Walking Dead.

About Invincible

Created by Robert Kirkman and Cory Walker, Invincible #1 debuted to critical acclaim on January 22, 2003. Soon after, they were joined by artist and contributing creator Ryan Ottley. Throughout its fifteen-year run, Invincible not only continued for a historic 144-issues but also spawned multiple spin-off series' and even an inter-company crossover with a certain friendly neighborhood superhero. In 2021, the Invincible animated series arrived on Amazon Prime and quickly became one of the most popular new streaming series of the year, earning praise worldwide for its fresh storytelling. With a second season set on the horizon and new comic book projects to be announced, Invincible remains a cornerstone of the pop culture landscape that continues to grow in popularity every year.

About Terrible Posture Games

Grown from the solo efforts of tech artist Joe Mirabello, Terrible Posture Games has become a long-term presence in the otherwise chaotic landscape of game development. Known for the roguelite FPS games Tower of Guns and Mothergunship, the acclaimed VR game Mothergunship: Forge, and for narrative-rich games such as The Walking Dead: The Last Mile and the playable sitcom "3 out of 10", Terrible Posture Games is proud to join Skybound Games, Jill Murray, and Rossi Gifford to bring fans a new way to experience the Invincible universe.
