5th Planet Games, Skybound Games and Nice Dream Announce Physical Editions of Award-Winning Narrative Game *Goodnight Universe* Are Now Available

COPENHAGEN – December 9, 2025 – Today 5th Planet Games A/S (OAX: 5PG) and publisher Skybound Games™ announced that physical console editions of the narrative adventure game *Goodnight Universe*™ are now available at select global retailers, including Amazon and GameStop. For Nintendo Switch 2 and PlayStation 5, the physical editions include the base game, alongside digital codes for the game's soundtrack and a digital artbook featuring original art from the Nice Dream™ development team.

Physical editions are distributed across the Nordic region by 5th Planet Games under its partnership agreements with Nordisk Interactive A/S and across Eastern Europe in partnership with Glomerk SA.

Goodnight Universe was released digitally on November 11, 2025 to great critical and player reception with a current 96% "Overwhelmingly Positive" rating on Steam. The game also recently won "Best International Game" at SXSW Sydney and won the Tribeca Games Award in 2024. In conjunction with today's physical edition launch, Skybound Games and Nice Dream revealed a [new accolades trailer](#).

From the BAFTA-award winning developers of *Before Your Eyes*, *Goodnight Universe* tells the story of Isaac, a 6-month-old baby, developing mysterious psychic powers. What you want most is to be loved and accepted by your family, but a secretive tech corporation wants you for their own. On PC and soon Nintendo Switch 2, the game features an immersive "camera as controller" mode giving players the option to interact using their eyes and expressions, expanding on the innovative use of camera-based technology that the development team is known for.

The leading cast includes Lewis Pullman (Thunderbolts*, Top Gun Maverick) as the main character Isaac, and Kerri Kenney-Silver (Reno 911, The Four Seasons), Al Madrigal (The Daily Show, Lopez vs. Lopez), and Tessa Espinola (S.W.A.T, The Big Show Show) as Isaac's family. Beau Bridges (Matlock, Homeland), Timothy Simons (VEEP, Nobody Wants This) and Sarah Burns (Barry, Unfrosted) are cast in supporting character voice roles.

The Nintendo Switch 2 version will get camera support in a future update soon, and the Nintendo Switch version of the game will be available digitally on December 18, 2025.
