ZENITH ENERGY LTD.

("Zenith" or the "Company")

Commencement of ROB-1 workover, Tunisia

Zenith Energy Ltd. ("Zenith" or the "Company") (LSE: ZEN; OSE: ZENA), the listed international oil & gas production company focused on pursuing African development opportunities, is pleased to announce the commencement of workover activities in well Robbana-1 ("ROB-1") in the Robbana concession, onshore Tunisia.

Prior to the beginning of workover operations, ROB-1 produced at a stabilised rate of approximately 20 bopd, with the last well intervention having taken place in 2012.

In the event of a successful workover, the Company is targeting to achieve an increased stabilised production rate of approximately 60-80 bopd.

The workover of ROB-1 is expected to be completed in approximately 25 days. An update will be provided once workover operations have been concluded.
