

ADDvise Group plans to change listing venue to Nasdaq Stockholm main market

ADDvise Group AB (publ) ("ADDvise Group") has initiated the process of listing the company's A and B shares on Nasdaq Stockholm. The change of listing venue is expected to be completed in the first quarter of 2025.

As part of the continued development of ADDvise Group, the company has for some time reviewed the possibility of changing its listing venue from Nasdaq First North to Nasdaq Stockholm main market. The Board of Directors believes that a change of listing venue would be beneficial for the company's continued development, provide a broader capital allocation toolkit, and increase the company's attractiveness to institutional investors. The Board of Directors and management have therefore initiated the process to change listing venue.

"We believe that ADDvise Group is ready to be listed on Nasdaq Stockholm main market. An uplisting is a stamp of quality and a natural next step in the company's development. Among other things, the change of listing venue would open up the possibility to buy back own shares, which is an important instrument in optimising our capital allocation" says Rikard Akhtarzand, CEO of ADDvise Group.

ADDvise Group's A and B shares have been listed on Nasdaq First North since 1998 and 2015 respectively. The change of listing venue to Nasdaq Stockholm is intended to take place without an offering or other sale of ADDvise Group's shares.

Further information will be provided closer to the time of uplisting.
