CTS EVENTIM CONTINUES ON ITS GROWTH COURSE IN THE FIRST QUARTER OF 2026

- **Compared with the prior-year period, consolidated Group revenue rises by 23.0% and the Group’s adjusted EBITDA by 18.5%.**
- **In the Live Entertainment segment, adjusted EBITDA climbs by 151.1% in the first quarter of 2026**
- **Klaus-Peter Schulenberg, CEO, CTS EVENTIM: “CTS EVENTIM has made a successful start to 2026, maintaining its trajectory of profitable growth. The Live Entertainment segment performed particularly strongly in the first quarter. Our international position and close cooperation with promoters, artists and partners continue to provide strong foundations for the sustained growth of our business.”**

CTS EVENTIM, the number one for ticketing and live entertainment in Europe and number two worldwide, has started the 2026 financial year with further increases in revenue and earnings. The Ticketing segment recorded year-on-year growth in the first quarter of 2026, despite delivering a strong performance in the prior-year period. In the Live Entertainment segment, successful tours and events led to a sharp rise in adjusted EBITDA. There were also positive contributions from venue activities: The new Unipol Dome in Milan hosted the ice hockey tournaments of the Olympic and Paralympic Winter Games Milano Cortina 2026, with 53 matches attended by more than 400,000 fans in total.

Consolidated **CTS Group** revenue came to EUR 613.5 million in the first three months of 2026, a 23.0% increase compared with the prior-year period. Adjusted EBITDA rose by 18.5% to EUR 118.9 million. The adjusted EBITDA margin was virtually unchanged at 19.4%.

In the first quarter of 2026, revenue in the **Ticketing segment** went up by 2.5% year on year to EUR 219.0 million. Adjusted EBITDA for the period January to March advanced by 1.2% compared with the first quarter of 2025, reaching EUR 89.8 million. The adjusted EBITDA margin amounted to 41.0%, which was more or less unchanged compared with the prior-year period. As expected, the changes to the partnership with Stage Entertainment affected comparability with the first quarter of 2025. Adjusted for this effect, the ticketing revenue expanded by a good 6%. As reported in April 2026, the contract with Stage Entertainment has been extended for the long term in the form of a retail partnership.

The **Live Entertainment segment** recorded revenue of EUR 403.6 million in the first quarter of 2026, a year-on-year increase of 38.3%. Adjusted EBITDA jumped by 151.1% to EUR 29.1 million in the first three months of the year, causing the adjusted EBITDA margin to climb to 7.2%. The growth of the Live Entertainment segment was primarily driven by tours and events in a number of markets, including successful US tours and highly popular events in Germany.

ADJUSTED EBITDA

CTS GROUP	1 Jan 2026 - 31 Mar 2026	1 Jan 2025 - 31 Mar 2025	Change	
	[EUR'000]	[EUR'000]	[EUR'000]	[in %]

Non-recurring items	0	0	0	0.0
Adjusted EBITDA	**118,942**	**100,341**	**18,601**	**18.5**

As in the previous year, EBITDA in the **CTS Group** was not impacted by non-recurring items.

In the **Ticketing segment** adjusted EBITDA rose from EUR 88,750 thousand by EUR 1,089 thousand to EUR 89,839 thousand. Compared to the prior-year period, the improvement in earnings was mainly attributable to revenue growth in international markets. Adjusted EBITDA margin amounted to 41.0% (previous year: 41.5%).

In the **Live Entertainment segment** adjusted EBITDA increased by EUR 17,512 thousand from EUR 11,591 thousand to EUR 29,104 thousand. The increase was primarily driven by successful tours and a large number of events held in the first quarter of 2026, accordingly the adjusted EBITDA margin improved to 7.2% (previous year: 4.0%).

The adjusted **CTS Group** EBITDA climbed by EUR 18,601 thousand to EUR 118,942 thousand (previous year: EUR 100,341 thousand) and the adjusted EBITDA margin amounted to 19.4% (previous year: 20.1%).

FINANCIAL RESULT

The financial result increased by EUR 13,455 thousand from EUR -4,397 thousand to EUR 9,058 thousand. The increase was mainly attributable to positive foreign currency translation effects on long-term receivables amounting to EUR 13,756 thousand and higher income from investments in associates accounted for at equity of EUR 701 thousand. In contrast, compared to the prior-year period, interest income decreased by EUR 534 thousand, while interest expenses increased by EUR 1,334 thousand.

EARNINGS BEFORE TAXES (EBT) / NET RESULT FOR THE PERIOD ATTRIBUTABLE TO SHAREHOLDERS OF CTS KGaA / EARNINGS PER SHARE (EPS)

In the reporting period, EBT increased from EUR 71,757 thousand by EUR 31,473 thousand to EUR 103,230 thousand. After deduction of tax expenses and non-controlling interests, net result for the period attributable to shareholders of CTS KGaA amounted to EUR 63,695 thousand (previous year: EUR 46,096 thousand) and EPS increased to EUR 0.66 (previous year: EUR 0.48).

PERSONNEL

On average, the companies in the CTS Group had a total of 5,215 employees (previous year: 4,894 employees) including temporary staff on their payroll. Of that total, 2,920 are employed in the Ticketing segment (previous year: 2,959 employees) and 2,295 in the Live Entertainment segment (previous year: 1,934 employees). The increase in employees in the Live Entertainment segment resulted in particular from the expansion of the scope of consolidation and to temporary staff.

FINANCIAL POSITION

CHANGES IN ASSETS

Cash and cash equivalents decreased by EUR 265,984 thousand compared to 31 December 2025. The reduction in cash and cash equivalents mainly comprises a reduction of liabilities of ticket money received that has not yet been settled with promoters in the Ticketing segment. In addition, trade payables decreased. This was offset by an increase in advance payments received in the Live Entertainment segment and the positive net result for the period.

Cash and cash equivalents include, among other things, ticket monies from ticket presales for events that have not yet been settled (ticket money received that have not yet been settled with promoters, particularly in the Ticketing segment), which are reported under other financial liabilities in the amount of EUR 893,097 thousand (31 December 2025: EUR 1,089,265 thousand). Other financial assets also include receivables relating to ticket money from presales mainly in the Ticketing segment amounting to EUR 35,096 thousand (31 December 2025: EUR 40,214 thousand).

Current **marketable securities and other investments** increased by EUR 67,936 thousand primarily due to term deposits.

The increase of the current **advances paid** (EUR +45,457 thousand) relates to preproduction costs already paid (e.g. artist fees) for future events in the Live Entertainment segment.

The increase in **property, plant and equipment** (EUR +28,763 thousand) results primarily from advance payments made for the construction of the ARENA FOR MILAN in Italy, which, as part of a naming rights partnership, has operated under the name “Unipol Dome” since the first quarter of 2026.

The increase in non-current **other non-financial assets** (EUR +9,760 thousand) primarily resulted from contract assets related to the Olympic and Paralympic Summer Games in Los Angeles 2028.

CHANGES IN EQUITY AND LIABILITIES

Current **financial liabilities** (EUR +16,417 thousand) increased primarily due to the utilisation of a short-term working capital credit facility during the reporting period.

Current **trade payables** decreased mainly due to the settlement of held events and to payables in connection with the construction of the “Unipol Dome” amounting to EUR 55,481 thousand.

The increase in current **advance payments received** (EUR +97,993 thousand) was mainly attributable to ticket money for future events in the Live Entertainment segment.

Current **other financial liabilities** decreased by EUR 186,098 thousand mainly due to the reduction of liabilities of ticket money that have not yet been settled with promoters in the Ticketing segment.

NON-CURRENT LIABILITIES decreased by EUR 19,390 thousand mainly due to the reclassification of liabilities of ticket money that have not yet been settled with promoters in the Ticketing segment to current liabilities.

Equity rose by EUR 72,211 thousand from EUR 1,240,978 thousand to EUR 1,313,189 thousand, primarily because of the higher net result for the period attributable to the shareholders of CTS KGaA of EUR 63,695 thousand.

CASH FLOW

The amount of cash and cash equivalents shown in the cash flow statement corresponds to the cash and cash equivalents stated in the balance sheet. Compared to the closing date of 31 December 2025, cash and cash equivalents decreased from EUR 1,355,713 thousand by EUR 265,984 thousand to EUR 1,089,729 thousand and in comparison with the closing date at 31 March 2025, cash and cash equivalents decreased by EUR 274,183 thousand.

Cash flow from operating activities amounted to a net cash outflow of EUR 146,345 thousand a change of EUR 32,158 thousand compared with the net cash outflow of EUR 114,187 thousand primarily resulted from a higher reduction in liabilities from ticket monies not yet settled in the Ticketing segment, a reduction in trade payables, and a decline in advance payments received for future events in the Live Entertainment segment. This was partially offset by lower advance payments made in the Live Entertainment segment.

Cash flow from investing activities amounted to a net cash outflow of EUR 114,288 thousand, which was EUR 58,571 thousand higher than the net cash outflow of EUR 55,717 thousand in the prior-year period. The negative cash flow in the reporting period mainly resulted from higher payments for securities and other financial assets, which were partially offset by higher proceeds from the sale or maturity of securities and other financial assets.

Cash flow from financing activities decreased by EUR 30,830 thousand compared to the same period last year from EUR 19,916 thousand to EUR -10,913 thousand. The decrease was mainly attributable to the absence of cash inflows from non-controlling interests related to the Olympic and Paralympic Summer Games in Los Angeles 2028 during the reporting period, whereas corresponding equity contributions had been received in the prior-year period.

EVENTS AFTER THE BALANCE SHEET DATE

No reportable events occurred after the balance sheet date.

FOREWARD-LOOKING STATEMENTS

This Group quarterly statement contains forecasts based on assumptions and estimates by the corporate management of CTS KGaA. These statements based on assumptions and estimates are in the form of forward-looking statements using terms such as ‘believe’, ‘assume’, ‘expect’ and the like. Even though corporate management believes that these assumptions and estimates are correct, it is possible that actual results in the future may deviate materially from such assumptions and estimates due to a variety of factors. The latter may include changes in the macroeconomic environment, in the statutory and regulatory framework in Germany and the EU, and changes within the industry. CTS KGaA does not provide any guarantee or accept any liability or responsibility for any divergence between future developments and actual results, on the one hand, and the assumptions and estimates expressed in this Group quarterly statement. CTS KGaA has no intention and undertakes no obligation to update forward-looking statements in order to adjust them to actual events or developments occurring after the date of this report.

The consolidated financial statements are denominated in Euro. All amounts in the Group quarterly statement are rounded to thousand Euros. This may lead to minor deviations on addition.

The Group quarterly statement is also available in German. The German version of the Group quarterly statement takes priority over the English translation in the event of any discrepancies. Both language versions can be downloaded on the internet at https://corporate.eventim.de/en/investor-relations/financial-reports.
