The shares issued against such Value Increase Fund, Participations Value Increase Fund, Profit Shares, Emission Premium, Extraordinary Reserves and Real Estate Sale Profit added to the capital were distributed to the company shareholders pro rata their shares free of charge. All shares are issued in registered form, other than the shares that are listed in the stock exchange pursuant to the capital market legislation. All shares listed in the stock exchange issued and will be issued by the Company are also registered shares. Shares remaining after exercising of the pre-emptive right or where exercising of the pre-emptive right is restricted, all newly issued shares shall be offered to the public in accordance with the Communiqués of the Capital Market Board over their market values provided no less than the nominal value. The shares representing the share capital shall be monitored in book entry form under the principles of dematerialization. Authorization of restriction of the right to purchase new shares cannot be used in such manner to cause inequality among the shareholders.

All shares are issued in registered form, other than the shares that are listed in the stock exchange pursuant to the capital market legislation. All shares listed in the stock exchange issued and will be issued by the Company are also registered shares.

~~The Board of Directors may, between the years 2021-2025, issue registered shares and increase the issued capital in accordance with the provisions of Turkish Commercial Code and Capital Market Law whenever it may deem necessary. The Board of Directors is authorized to decide on issuance of shares over nominal value, restriction of the right to purchase new shares of the shareholders, and issuance of premium stocks.~~

Shares remaining after exercising of the pre-emptive right or where exercising of the pre-emptive right is restricted, all newly issued shares shall be offered to the public in accordance with the Communiqués of the Capital Market Board over their market values provided no less than the nominal value.

The shares representing the share capital shall be monitored in book entry form under the principles of dematerialization.

Authorization of restriction of the right to purchase new shares cannot be used in such manner to cause inequality among the shareholders.
