Key rating drivers, as strengths and constraints, are provided below.

Strengths

- Noteworthy asset growth during the review period
- Low level of indebtedness
- Attaching efforts to diversification of investment portfolio including support platform for the startup ecosystem
- Solid position and sound performance of the main investment, Gedik Yatırım, in financial intermediary market
- Strengthened equity level through paid-capital increase in 2021 and improvement in retained earnings
- Compliance with corporate governance principles

Constraints

- High concentration on the investment in Gedik Yatırım Menkul Değerler A.Ş. among total assets
- Vulnerable nature of risk appetite and capital flows towards emerging markets depending upon potential macroeconomic and geopolitical risks

Considering the aforementioned points, the Holding's Long-Term National Issuer Credit Ratings has been affirmed as **'AA- (tr)'**. The Holding's remarkable asset growth, sound capital structure, and supporting market conditions for its main investee Gedik Yatırım have been evaluated as important indicators for the stability of the ratings and outlooks for Long and Short-Term National Issuer Credit Ratings **'Stable'**. The Holding's profitability and internal equity generation capacity, borrowing structure, and local and global financial conditions and risk appetite will be closely monitored by JCR Eurasia Rating in upcoming periods. The macroeconomic indicators at national and international markets, as well as market conditions and legal framework about the sector will be monitored as well.
