2. MESSAGE FROM THE CHIEF EXECUTIVE

MAXIME SAADA CEO OF CANAL+

DEAR SHAREHOLDERS

2025 has been an extraordinary year for CANAL+. A year in which we delivered all of our key objectives.

With the acquisition of MultiChoice, the leading pay-television operator in English and Portuguese-speaking Africa, CANAL+ has taken on an entirely new dimension. This major transaction marked a turning point in our Group's trajectory.

While remaining a key player in Europe's creative industries, CANAL+ has become the Pay-TV leader in Africa - the continent offering the strongest growth potential in our sector. With more than 40 million subscribers, close to €9 billion in annual combined revenue and a presence in over 70 countries, we have successfully executed our strategy to reach the critical scale that is now essential.

In our first year as a publicly listed company on the London Stock Exchange, CANAL+ has demonstrated the strength of its business model. We achieved our organic revenue and Adjusted EBIT growth targets, improved profitability of our European operations by 15% year-on-year and reached an exceptional CFFO of €606 million – prior to the MultiChoice transaction – three times higher than in 2024. We also resolved our long-standing VAT and TST disputes with the French tax authorities, removing significant financial uncertainty from the path ahead.

Providing the best entertainment experience is the core purpose of CANAL+. This year, more than ever, the combination of original productions and acquired content has been strengthened across all our territories. This includes, of course, the exceptional breadth of MultiChoice's content in English and Portuguese-speaking Africa, as well as acclaimed CANAL+ Originals from France, Poland, Myanmar and African countries, alongside an unmatched sports offering – now the richest in the world. We have also extended our partnership with Netflix, the world's leading streaming platform, to French-speaking sub-Saharan Africa – a first in the region – in line with our pioneering aggregation strategy, which include leading American platforms such as Apple TV, HBO Max and Paramount+.

In theatres, STUDIOCANAL once again demonstrated its ability to produce both international and local successes, as proven by *Paddington in Peru*, *Dog 51* or the multi-BAFTA-winning *I Swear*. As the leading partner of cinema across our core geographies, our commitment to cinema reached a new milestone with the acquisition of a 34% stake in UGC, one of Europe's largest cinema

chains – including the world's most attended cinema based in Paris. This investment reflects a deeply held conviction at CANAL+: the big screen, streaming and television are complementary.

Culture is essential. We believe this wholeheartedly at CANAL+, which is why we created the Fondation CANAL+. Its primary mission is to make culture accessible to as many people as possible, and we are delighted that 30,000 individuals have already benefited from its programmes in 2025. Beyond the social and societal impact of our Foundation, we see CSR as a genuine performance driver for CANAL+, with initiatives spanning the entire value chain of the media and entertainment industry. We will continue acting both in front of and behind the camera to embed our commitments at the core of our business and our content.

While 2025 was a year of unprecedented transformation, 2026 will be a year of operational execution and convergence. It is in this spirit that I am pleased to invite you to the CANAL+ Annual General Meeting, to be held on 29 May 2026, at L'Olympia.

Thank you for your trust and your continued support.

5. REPORT OF THE MANAGEMENT BOARD ON THE PROPOSED RESOLUTIONS CONTINUED

Dear Shareholders,

The Management Board has convened a Combined Shareholders' Meeting (the "**Shareholders' Meeting**") to submit the following sixteen resolutions for the approval of shareholders, the draft of which was approved by the Supervisory Board and the Management Board on 16 April 2026. In this report, the Management Board provides an explanation of the subject matter of each of the proposed resolutions and the reasons why these resolutions are subject to the vote of shareholders. The Management Board believes that the proposed resolutions are in the interest of the Company and its shareholders and accordingly recommends that shareholders vote in favour of each of the proposed resolutions.

ORDINARY RESOLUTIONS

RESOLUTIONS 1 AND 2: APPROVAL OF THE ANNUAL AND CONSOLIDATED FINANCIAL STATEMENTS

PRESENTATION

The Company is required under applicable law to present to the Shareholders' Meeting the reports of the Management Board and the Statutory Auditors and the audited accounts of the Company for each financial year.

Resolution 1 concerns the approval of the statutory annual accounts of the Company for the 2025 financial year, showing a net profit of EUR 21,451,416.78.

Resolution 2 concerns the approval of the consolidated financial statements of the Company for the 2025 financial year, showing a net profit of EUR 8,000,000.00.

Further details of these accounts are contained in Chapter 4 of the Annual Report of the Company available on its website in the Section "Results and publications": [Results and publications | CANAL+ Group](#).

The Statutory Auditors have certified the statutory and consolidated annual accounts without qualification, the corresponding reports being in the Chapter 4 of the Company's annual report available on its website in the "Results and publications" section: [Results and publications | CANAL+ Group](#).

FIRST RESOLUTION (APPROVAL OF THE ANNUAL FINANCIAL STATEMENTS FOR FINANCIAL YEAR 2025)

The Shareholders' Meeting, voting under the quorum and majority conditions required for ordinary shareholders' meetings, having reviewed the report of the Management Board, the absence of observations by the Supervisory Board on the Management Board's report and on the Company's annual financial statements, and the Statutory Auditors' report on the annual financial statements for financial year 2025, **approves** the annual financial statements for financial year 2025, as presented to them, showing a net profit amounting to EUR 21,451,416.78, as well as the transactions reflected in those financial statements or summarised in those reports.

SECOND RESOLUTION (APPROVAL OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR FINANCIAL YEAR 2025)

The Shareholders' Meeting, voting under the quorum and majority conditions required for ordinary shareholders' meetings, and having reviewed the report of the Management Board, the absence of observations by the Supervisory Board on the Management Board's report and on the Company's consolidated financial statements and

the Statutory Auditors' report on the consolidated financial statements for financial year 2025, **approves** the consolidated financial statements for financial year 2025 as well as the transactions reflected in those financial statements or summarised in those reports.

RESOLUTION 3: ALLOCATION OF THE DISTRIBUTABLE PROFIT

PRESENTATION

Resolution 3 concerns the allocation of the Company's profits and a proposed distribution of a dividend.

The Management Board proposes to allocate the net profit for the 2025 financial year, in the amount of EUR 21,451,416.78, as follows:

- EUR 20,891,859.82 to the Retained Earnings (report à nouveau) account, which would thus be increased from EUR (10,260,277.51) to EUR 10,260,277.51; and
- EUR 559,556.96 to the legal reserve (réserve légale).

The Management Board is proposing the payment, in cash, of an ordinary dividend of EUR 0.022 per share, i.e. a total amount of EUR 21,572,127.66 based on the number of shares entitled to the dividend as of 31 December 2025. The ex-dividend date would be 11 June 2026. The record date for the dividend would be 12 June 2026 and the dividend would be paid on 15 June 2026. This dividend would be deducted from the Retained Earnings (report à nouveau) account, which would thus be decreased from EUR 10,260,277.51 to EUR 0.00, and from the Share Premium (prime d'émission) account, which would thus be reduced from EUR 6,583,341,343.17 to EUR 6,572,400,797.82.

This proposal was approved by the Management Board at its meeting on 9 March 2026 and by the Supervisory Board at its meeting on 10 March 2026.

Shareholders should note that the following is a summary of the Company's understanding, as at the date of this document, of current French tax legislation, regulations and practice applicable to the distribution of the dividend, all of which are subject to change. This summary does not address the tax consequences for shareholders who are subject to tax in the United Kingdom or any other jurisdiction outside of France. If you are in any doubt as to your own tax position or are resident or subject to tax in a jurisdiction outside of France, you should seek your own personal advice immediately from a duly authorised tax adviser.

TAXATION OF DISTRIBUTABLE PROFIT

The amount distributed constitutes distributed income within the meaning of Article 112 (1°) of the French Tax Code (Code Général des Impôts), up to the amount of distributable profit of EUR 10,631,582.31.

With respect to shareholders who are individual French tax residents, this dividend is eligible for the 40% allowance referred to in Article 158-3-2° of the French Tax Code.

It is however recalled that, for these same shareholders and barring specific circumstances, this dividend will be subject in full to the flat-rate withholding tax (prélèvement forfaitaire unique) at the overall rate of 31.4%, and will only be subject to the progressive income tax scale – with potential application of the aforementioned 40% allowance – where an election to that effect is made by certain shareholders when filing their annual income tax return.

5. REPORT OF THE MANAGEMENT BOARD ON THE PROPOSED RESOLUTIONS CONTINUED

TAXATION OF THE SHARE PREMIUM REIMBURSEMENT

The Management Board specifies that the amount distributed constitutes a reimbursement of share premium within the meaning of Article 112(1°) of the French Tax Code, in an amount of EUR 10,940,545.35.

In accordance with the provisions of that article, amounts received by shareholders that qualify as a reimbursement of share premium are not treated as distributed income and are therefore not subject to tax, provided that all profits and reserves other than the statutory reserve have been previously distributed.

With respect to shareholders who are individual French tax residents, this distribution is not subject to income tax but reduces the tax cost basis of the shares. In this regard, individual shareholders whose tax cost basis in the Company's shares is lower than the total amount of the distribution attributable to the share premium reimbursement, or who benefit from a tax deferral or rollover relief (report d'imposition or sursis d'imposition) in respect of such shares or of Vivendi shares⁽¹⁾, should consult their usual tax advisor in order to determine the tax consequences arising from their particular circumstances.

PAYMENT OF THE DISTRIBUTED AMOUNT

The ex-dividend date is set at 11 June 2026 and the payment date of the distributed amount is set at 15 June 2026. Should the number of treasury shares held by the Company change compared to the number held as of 31 December 2025, the portion of the dividend corresponding to such change will increase or reduce the "Share Premium" account accordingly.

In accordance with Article 243 bis of the French General Tax Code, the Management Board confirms that no dividend has been paid in respect of the last three financial years, but recalls that a distribution drawn from the share premium, in an amount of €0.02 per share, was paid to shareholders on 27 June 2025.

THIRD RESOLUTION (ALLOCATION OF THE DISTRIBUTABLE PROFIT)

The Shareholders' Meeting, voting under the quorum and majority conditions required for ordinary shareholders' meetings, and on the recommendation of the Management Board, **resolves** to allocate the distributable profit for financial year 2025 as follows:

Allocation of profit	
Net Profit for the financial year	€ 21,451,416.78
Former Retained Earnings	€(10,260,277.51)
Allocation Legal Reserve	€(559,556.96)
Distributable Profit	€ 10,631,582.31
Dividend distribution	€ 10,631,582.31
Retained Earnings after allocation ^(a)	€ 0.00
Share Premium distribution	
Deduction from Share Premium ^(b)	€ 10,940,545.35
Total amount distributed ^(c)	€ 21,572,127.66

(a) The Retained Earnings account, which amounted to EUR (10,260,277.51) as of 31 December 2025, is reduced to EUR 0.00 following the allocation.

(b) The "Share Premium" account recorded under liabilities on the balance sheet as of 31 December 2025, amounts to EUR 6,583,341,343.17 and will be reduced to EUR 6,572,400,797.82 following the distribution of EUR 10,940,545.35 charged to the "Share Premium" account (based on the number of shares entitled to dividend as of 31 December 2025).

¹ Relating to the spin-off which occurred in December 2024 and further detailed on the Company's website page: [Spin-off](#).

(c) A distribution of EUR 0.022 per share, corresponding to a total amount of EUR 21,572,127.66, which will be deducted from the "Retained Earnings" account and "Share Premium" account recorded under liabilities on the balance sheet as of 31 December 2025. This amount will be adjusted, if necessary, to reflect the number of shares entitled to dividends on the ex-dividend date.

Taxation of distributable profit

The Shareholders' Meeting notes that the amount distributed constitutes distributed income within the meaning of Article 112 1° of the French Tax Code (Code Général des Impôts), up to the amount of distributable profit of EUR 10,631,582.31.

With respect to shareholders who are individual French tax residents, this dividend is eligible for the 40% allowance referred to in Article 158-3-2° of the French Tax Code.

It is however recalled that, for these same shareholders and barring specific circumstances, this dividend will be subject in full to the flat-rate withholding tax (prélèvement forfaitaire unique) at the overall rate of 31.4%, and will only be subject to the progressive income tax scale – with potential application of the aforementioned 40% allowance – where an election to that effect is made by certain shareholders when filing their annual income tax return.

Taxation of the share premium reimbursement

The Shareholders' Meeting specifies that the amount distributed constitutes a reimbursement of share premium within the meaning of Article 112 1° of the French Tax Code, in an amount of EUR 10,940,545.35.

In accordance with the provisions of that article, amounts received by shareholders that qualify as a reimbursement of share premium are not treated as distributed income and are therefore not subject to tax, provided that all profits and reserves other than the statutory reserve have been previously distributed.

With respect to shareholders who are individual French tax residents, this distribution is not subject to income tax but reduces the tax cost basis of the shares. In this regard, individual shareholders whose tax cost basis in the Company's shares is lower than the total amount of the distribution attributable to the share premium reimbursement, or who benefit from a tax deferral or rollover relief (report d'imposition or sursis d'imposition) in respect of such shares or of Vivendi shares⁽¹⁾, should consult their usual tax advisor in order to determine the tax consequences arising from their particular circumstances.

Payment of the distributed amount

The ex-dividend date is set at 11 June 2026, the record date set at 12 June 2026 and the payment date of the distributed amount is set at 15 June 2026. Should the number of treasury shares held by the Company change compared to the number held as at 31 December 2025, the portion of the dividend corresponding to such change will increase or reduce the "Share Premium" account accordingly.

In accordance with legal provisions, the Shareholders' Meeting **acknowledges** that no dividend has been distributed for the last three financial years, but notes that a distribution from the share premium, amounting to EUR 0.02 per share, was paid to shareholders on 27 June 2025.

5. REPORT OF THE MANAGEMENT BOARD ON THE PROPOSED RESOLUTIONS CONTINUED

RESOLUTION 4: APPROVAL OF THE STATUTORY AUDITORS' SPECIAL REPORT ON RELATED PARTY AGREEMENTS

PRESENTATION

The purpose of Resolution 4 is to approve the Statutory Auditors' special report on related party agreements. It is proposed that shareholders take note that no new agreement was entered into during the 2025 financial year.

The Statutory Auditors' special report sets out an agreement already approved by the shareholders' meeting of 9 December 2024 and executed during the past financial year, entered into by the Company, Groupe Canal+ SAS and the sponsor banks on 30 October 2024 relating to the mandate of the sponsor banks appointed in connection with the admission to trading of the Company's securities on the London Stock Exchange (Joint Sponsors Agreement).

FOURTH RESOLUTION (APPROVAL OF THE SPECIAL REPORT OF THE STATUTORY AUDITORS ON RELATED-PARTY AGREEMENTS)

The Shareholders' Meeting, voting under the quorum and majority conditions required for ordinary shareholders' meetings, and having reviewed the Statutory Auditors' special report on agreements referred to in Articles L. 225-88 et seq. of the French Commercial Code, approves said report.

RESOLUTIONS 5 TO 9: SUPERVISORY BOARD – COMPOSITION OF THE SUPERVISORY BOARD: RENEWAL AND APPOINTMENT

PRESENTATION

Resolutions numbered 5 to 9 (inclusive) propose the appointment of five directors to the Supervisory Board: three existing directors whose current terms of office expire at the conclusion of the 2026 Shareholders' Meeting (**Resolutions 5 to 7**) and two new directors (**Resolutions 8 and 9**). Each appointment is proposed for a term of three years, expiring at the conclusion of the shareholders' meeting to be called in 2029 to approve the financial statements for the year ending 31 December 2028. These three-year terms have been set to maintain a staggered renewal of the Supervisory Board in accordance with the Company's articles of association. Further details on each director, including their skills and experience, and the Board's assessment of their suitability, are set out below. Biographical details of each proposed director are set out in the appendices to this report.

These proposals were approved by the Supervisory Board, on the recommendation of the Nominations and Remuneration Committee. The Nominations and Remuneration Committee has undertaken a skills assessment of all Supervisory Board members. From the review of this assessment, the Supervisory Board is confident that each of the current directors provides, and the new directors will provide, a valuable contribution to the work of the Supervisory Board through the depth of the skills and experience gained from relevant leadership, executive and non-executive roles.

RENEWAL OF THREE EXISTING DIRECTORS (RESOLUTIONS 5 TO 7)

Resolutions 5 to 7 (inclusive) relate to the appointment of Mr. Xavier Mayer, Ms. Martine Studer and Mr. Jean-Christophe Thiery as directors, whose current terms expire at the end of the Shareholders' Meeting. In recommending the appointment of these three directors, the Nominations and Remuneration Committee and the Supervisory Board are satisfied that each of these directors continues to be effective and demonstrates a commitment to the role and that each of them continues to dedicate sufficient time to their duties.

Shareholders are asked to approve the appointment of Mr. Mayer as an independent member of the Supervisory Board (**Resolution 5**). Mr. Mayer has served as Vice-Chairman of the Supervisory Board, Senior Independent Director and member of the Audit and Sustainability Committee since 9 December 2024 and, if the resolution is approved, it is intended that Mr. Mayer will continue to hold these positions. Mr. Mayer has attended all meetings of the Supervisory Board and four out of the five meetings of the Audit and Sustainability Committee held during the financial year, representing a 90% global attendance rate.

The Nominations and Remuneration Committee has reviewed Mr. Mayer's key skills assessment and has noted in particular the strength of his experience in leadership and boardroom effectiveness, financial expertise, strategic planning, talent management, international markets and corporate governance, which are of significant benefit to his roles as Vice-Chairman, Senior Independent Director and member of the Audit and Sustainability Committee. The Nominations and Remuneration Committee and the Supervisory Board have carefully reviewed the independence criteria of the UK Corporate Governance Code (the "**UK Code**"), which the Company adheres to, and are satisfied that Mr. Mayer continues to meet all the independence criteria and to make a meaningful contribution to the effectiveness and performance of the Supervisory Board. Having regard to the skills, experience and knowledge that Mr. Mayer brings to the Supervisory Board, the Board is confident that Mr. Mayer continues to be effective and that his contribution is important to the Company's long-term sustainable success.

In accordance with UK Listing Rule 10.6.16R, it is confirmed that, save for Mr. Mayer's current appointment to the Supervisory Board, there is no other existing or previous relationship, transaction or arrangement between Mr. Mayer and the Company, any of its other directors, a "controlling shareholder" or any associate of a "controlling shareholder" of the Company.

For more information, please refer to Mr. Mayer's biography set out in the appendix to this report.

It is further proposed that shareholders approve the appointment of Ms. Studer as a non-independent member of the Supervisory Board (**Resolution 6**). Ms. Studer has served as member of the Nominations and Remuneration Committee since 9 December 2024 and, if the resolution is approved, it is intended that Ms. Studer will continue to hold this position. Ms. Studer has attended all meetings of the Supervisory Board and of the Nominations and Remuneration Committee held during the financial year, representing a 100% global attendance rate.

The Nominations and Remuneration Committee has reviewed Ms. Studer's key skills assessment and has noted in particular the strength of her relevant industry knowledge, international experience and in-depth knowledge of the African continent, which are of significant benefit to her role, particularly in view of the Group's objectives and the Group's presence in Africa following the acquisition of MultiChoice.

5. REPORT OF THE MANAGEMENT BOARD ON THE PROPOSED RESOLUTIONS CONTINUED

The Nominations and Remuneration Committee and the Supervisory Board have carefully reviewed the independence criteria of the UK Code. It was noted that, as disclosed in the Annual Report 2025, Ms. Studer currently serves as an Independent Director of Compagnie de l'Odet and Chair and CEO of La Forestière Equatoriale, both being entities controlled by the Bolloré family.

As a reminder, the Supervisory Board had initially considered Ms. Studer to be an independent member of the Supervisory Board, notably on the basis that her term of office at Compagnie de l'Odet was expected to end in the near future.

Following ongoing dialogue between the Company and certain of its shareholders and upon recommendation of the Nominations and Remuneration Committee, the Supervisory Board has re-examined Ms. Studer's status. In doing so, it considered, in particular, the recent renewal of Ms. Studer's terms of office at Compagnie de l'Odet and La Forestière Equatoriale, two entities controlled by the Bolloré family. In light of expectations raised by certain shareholders – who take the view that these mandates may constitute a connection with other members of the Supervisory Board and could thereby call into question Ms. Studer's independence within the meaning of the UK Code – the Supervisory Board has decided to address this matter. Ms. Martine Studer's renewal is therefore being proposed in the capacity of a non-independent member of the Supervisory Board.

Notwithstanding the foregoing, the Nominations and Remuneration Committee and the Supervisory Board are satisfied that Ms. Studer continues to make a meaningful contribution to the effectiveness and performance of the Supervisory Board. Having regard to the skills, experience and knowledge that Ms. Studer brings to the Supervisory Board, as mentioned above, the Board is confident that Ms. Studer continues to be effective and that her contribution is important to the Company's long-term sustainable success.

For more information, please refer to Ms. Studer's biography set out in the appendix to this report.

Finally, shareholders are asked to approve the appointment of Mr. Thiery as a non-independent member of the Supervisory Board (**Resolution 7**). Mr. Thiery has served as a member of the Audit and Sustainability Committee since 9 December 2024 and, if the resolution is approved, it is intended that Mr. Thiery will continue to hold this position. Mr. Thiery has attended four out of five meetings of the Supervisory Board and all the meetings of the Audit and Sustainability Committee held during the financial year, representing a 90% global attendance rate.

The Nominations and Remuneration Committee has reviewed Mr. Thiery's key skills assessment and has noted in particular the strength of his in-depth knowledge of the media and entertainment sector, his significant historical knowledge of the Group, and his leadership and financial expertise, which are of significant benefit to his role as a member of the Audit and Sustainability Committee. The Nominations and Remuneration Committee and the Supervisory Board are satisfied that Mr. Thiery continues to be effective and that his contribution is important to the Company's long-term sustainable success.

For more information, please refer to Mr. Thiery's biography set out in the appendix to this report.

APPOINTMENT OF TWO NEW DIRECTORS (RESOLUTIONS 8 AND 9)

The Nominations and Remuneration Committee and the Supervisory Board have considered the overall composition of the Supervisory Board and have identified two additional directors who are proposed for appointment at the Shareholders' Meeting in order to further strengthen the Board's international expertise profile. Accordingly, it is also proposed that shareholders appoint Ms. Mercedes Erra (**Resolution 8**) and Mr. Elias Masilela (**Resolution 9**) as members of the Supervisory Board.

Ms. Erra is a founder of BETC, the leading French advertising agency. Ms. Erra was identified by the Nominations and Remuneration Committee as part of its ongoing review of the composition and skills profile of the Supervisory Board. The Committee selected Ms. Erra on the basis of her significant skills in marketing, customer experience as well as social and environmental responsibility, which the Committee determined would further enhance the composition of the Supervisory Board. Due to her position within the Executive Committee of Havas¹, and in accordance with the provisions of the UK Code regarding the significant links with other directors through involvement in other companies, Ms. Erra is not considered to be independent.

For more information, please refer to Ms. Erra's biography set out in the appendix to this report.

Mr. Masilela is the former Independent Chairman of the Board of Directors of MultiChoice. His historical knowledge of the MultiChoice markets and the African market as a whole, as well as his skills and experience in governance and international markets, are key assets for the Group and the Supervisory Board. Mr. Masilela's proposed election follows a structured process to assess the skills, experience and diversity requirements of the Supervisory Board following the acquisition of MultiChoice. The Supervisory Board selected Mr. Masilela on the basis of his prior service as Independent Chairman of the MultiChoice board, his deep understanding of the African market and his governance expertise. After examination, the Supervisory Board, on the recommendation of the Nominations and Remuneration Committee, considered that Mr. Masilela met the criteria for being qualified as an independent director under the UK Code. In accordance with UK Listing Rule 10.6.16R, it is confirmed that there is no existing or previous relationship, transaction or arrangement between Mr. Masilela and the Company, any of its directors, a "controlling shareholder" or any associate of a "controlling shareholder".

For more information, please refer to Mr. Masilela's biography set out in the appendix to this report.

The Supervisory Board, with the support of the Nominations and Remuneration Committee, has also assessed that the two new directors will have the necessary time to satisfy their duties. Having regard to the skills, experience and knowledge that each of Mr. Masilela and Ms. Erra would bring to the Supervisory Board, the Nominations and Remuneration Committee and the Supervisory Board are satisfied that each of them will be an effective director and will make a valuable contribution to the work of the Supervisory Board and the Company's long-term sustainable success.

At the conclusion of the 2026 Shareholders' Meeting, and subject to the approval of the resolutions submitted to shareholders, the Supervisory Board will be composed of 14 members, including 8 independent directors (57%).

¹ The Executive Chairman of Havas, Mr. Yannick Bolloré, is also Chairman of the Supervisory Board of the Company.

5. REPORT OF THE MANAGEMENT BOARD ON THE PROPOSED RESOLUTIONS CONTINUED

APPOINTMENT OF INDEPENDENT DIRECTORS

Resolutions 5 and 9 relate to the appointment of Mr. Xavier Mayer and Mr. Elias Masilela respectively, who the Supervisory Board has determined to be independent non-executive directors for the purposes of the UK Code (the "**Independent Non-Executive Directors**").

Bolloré SE and its related entities and individuals hold over 30% of the shares of the Company, meaning that they are considered a "controlling shareholder" within the meaning and for the sole purpose of the UKLR; it being noted that this does not give Bolloré SE control within the meaning of the French Commercial Code. The UKLR require that the appointment of any Independent Non-Executive Director must be approved by a majority vote of both the ordinary shareholders of the Company as a whole and the independent shareholders of the Company (that is, the ordinary shareholders entitled to vote on the election of directors who are not "controlling shareholders"). Bolloré SE and certain of its associated entities have undertaken to abstain from voting on Resolutions 5 and 9.

Under the UKLR, if a resolution to appoint an Independent Non-Executive Director is not approved by a majority vote of both the ordinary shareholders as a whole and the independent shareholders of the Company, a further resolution may be put forward to be approved by the ordinary shareholders as a whole at a meeting which must be held more than 90 days after, but within 120 days of, the original meeting. The Company reserves the right to hold such further meeting within that time period should the Independent Non-Executive Directors' appointment not be approved by the independent shareholders of the Company. Bolloré SE and its related entities will not be required to abstain from voting on any such further resolution proposed at such meeting.

FIFTH RESOLUTION (RENEWAL OF THE TERM OF OFFICE OF MR. XAVIER MAYER AS A MEMBER OF THE SUPERVISORY BOARD)

The Shareholders' Meeting, voting under the quorum and majority conditions required for ordinary shareholders' meetings, **acknowledges** that the term of office of Mr. Xavier Mayer as a member of the Supervisory Board expires at the end of this Meeting, and **resolves** to renew the term of office of Mr. Xavier Mayer as a member of the Supervisory Board for a period of three years, i.e., until the Shareholders' Meeting called to approve the financial statements for financial year ending 31 December 2028.

SIXTH RESOLUTION (RENEWAL OF THE TERM OF OFFICE OF MS. MARTINE STUDER AS A MEMBER OF THE SUPERVISORY BOARD)

The Shareholders' Meeting, voting under the quorum and majority conditions required for ordinary shareholders' meetings, **acknowledges** that the term of office of Ms. Martine Studer as a member of the Supervisory Board expires at the end of this Meeting, and **resolves** to renew the term of office of Ms. Martine Studer as a member of the Supervisory Board for a period of three years, i.e., until the Shareholders' Meeting called to approve the financial statements for financial year ending 31 December 2028.

SEVENTH RESOLUTION (RENEWAL OF THE TERM OF OFFICE OF MR. JEAN-CHRISTOPHE THIERY AS A MEMBER OF THE SUPERVISORY BOARD)

The Shareholders' Meeting, voting under the quorum and majority conditions required for ordinary shareholders' meetings,

acknowledges that the term of office of Mr. Jean-Christophe Thiery as a member of the Supervisory Board expires at the end of this Meeting, and resolves to renew the term of office of Mr. Jean-Christophe Thiery as a member of the Supervisory Board for a period of three years, i.e., until the Shareholders' Meeting called to approve the financial statements for financial year ending 31 December 2028.

EIGHTH RESOLUTION (APPOINTMENT OF MS. MERCEDES ERRA AS A MEMBER OF THE SUPERVISORY BOARD)

The Shareholders' Meeting, voting under the quorum and majority conditions required for ordinary shareholders' meetings, appoints Ms. Mercedes Erra as a member of the Supervisory Board for a term of three years. Her term of office will expire at the end of the Shareholders' Meeting called to approve the financial statements for financial year ending 31 December 2028.

NINTH RESOLUTION (APPOINTMENT OF MR. ELIAS MASILELA AS A MEMBER OF THE SUPERVISORY BOARD)

The Shareholders' Meeting, voting under the quorum and majority conditions required for ordinary shareholders' meetings, appoints Mr. Elias Masilela as a member of the Supervisory Board for a term of three years. His term of office will expire at the end of the Shareholders' Meeting called to approve the financial statements for financial year ending 31 December 2028.

RESOLUTION 10: AUTHORISATION GIVEN TO THE MANAGEMENT BOARD TO REPURCHASE SHARES PURSUANT TO ARTICLE L. 225-209-2 OF THE FRENCH COMMERCIAL CODE

PRESENTATION

As the existing authorisation is due to expire in June 2026, it is proposed that the shareholders, with Resolution 10, give a new authorisation to the Management Board, with the option of sub-delegation, to repurchase shares of the Company under the conditions provided for in Article L. 225-209-2 of the French Commercial Code. The acquisition of shares may be done on or off the market, including, but not limited to, through an accelerated bookbuilding process or block transactions, in one or more tranches, but may not take place from the filing by a third party of a public offer for the Company's securities until the end of the offer period.

This delegation of authority has given rise to the preparation of a report by the Statutory Auditors and the establishment of a report by an independent expert appointed by the judicial authority pursuant to Article L. 225-209-2 of the French Commercial Code, which appears on the Company's website, under the heading General Meeting: [General Assembly | CANAL+](#).

The shares repurchased by the Company are expected to be used by the Management Board in accordance with the objectives that will be assigned to the repurchases by the Shareholders' Meeting, namely: (i) in the year of the repurchase, allocation to the employees benefiting from a transaction mentioned in Article L. 225-208 of the French Commercial Code or occurring within the framework of Articles L. 3332-1 et seq. of the French Labour Code; or (ii) within two years of the acquisition, use in payment or exchange of assets acquired by the Company as part of an acquisition, merger, spin-off or contribution transaction. If the repurchased shares are not used for these purposes within the specified period, they will be cancelled.

5. REPORT OF THE MANAGEMENT BOARD ON THE PROPOSED RESOLUTIONS CONTINUED

The number of shares acquired may not exceed 10% of the share capital, and the shares purchased for use as consideration for an external growth, merger, demerger or contribution operation may not exceed 5% of the capital. For example, on the basis of the share capital as of 31 December 2025, the Company could repurchase a maximum of 99,195,949 shares.

The minimum purchase price per share (excluding fees and commissions) for share buybacks implemented under this authorisation would be GBP 1.50 (in accordance with the report drawn up by the independent expert pursuant to Article L. 225-209-2 of the French Commercial Code), or its equivalent in euros on the date of use of this authorisation. The maximum purchase price per share (excluding fees and commissions) would be the lower of the following two amounts:

- 3.30 GBP, or its equivalent in euros on the date of use of this authorisation, in accordance with the report drawn up by the independent expert pursuant to Article L. 225-209-2 of the French Commercial Code; and
- the greater of:
 - 105% of the average of the middle market quotations for an ordinary share of the Company, as derived from the London Stock Exchange Daily Official List, during the five business days immediately preceding the day on which the ordinary share of the Company is purchased; and
 - the higher of the last independent transaction of an ordinary share of the Company and the highest current independent offer for an ordinary share of the Company at the trading venue where the purchase is made.

Both the minimum and maximum purchase price provided in the report drawn up by the independent expert pursuant to Article L. 225-209-2 of the French Commercial Code may be adjusted, in the light of corporate actions (in particular in the case of the incorporation of reserves and the free allocation of shares, the division or consolidation of shares) which might occur during the period of validity of this authorisation.

As at 16 April 2026, being the latest practicable date prior to the release of this report, the Company has no outstanding stock options or warrants over ordinary shares.

As at the date of this report, the Management Board has no present intention of exercising the authority to repurchase shares granted under this resolution.

The authorisation is granted for a duration of twelve (12) months (i.e. until 29 May 2027) from the date of the Shareholders' Meeting and renders ineffective from that day onwards the unused portion of any prior authorisation with the same purpose.

TENTH RESOLUTION (AUTHORISATION GRANTED TO THE MANAGEMENT BOARD TO PROCEED WITH SHARE BUYBACKS PURSUANT TO ARTICLE L. 225-209-2 OF THE FRENCH COMMERCIAL CODE)

The Shareholders' Meeting, voting under the quorum and majority conditions required for ordinary shareholders' meetings, having considered the report of the Management Board, the report of the independent expert (expert indépendant) appointed pursuant to the provisions of Articles R. 225-160-1 et seq. of the French Commercial Code, and the Statutory Auditors' special report, in accordance with the provisions of article L. 225-209-2 of the French Commercial Code,

authorises the Management Board to acquire shares of the Company, under the conditions provided for in Article L. 225-209-2 of the French Commercial Code,

resolves that the acquisition of these shares may be carried out, on or off the stock exchange, including, without limitation, by means of a public share buyback offer, an accelerated bookbuilding procedure or a block sale, on one or more occasions, and may not take place in the event of a takeover offer filed by a third party for the Company's securities, during the entire period during which the securities may be tendered to such an offer,

resolves that the authorisation may be used and the shares thus acquired may be allocated:

- in the year of their repurchase, to the beneficiaries of a transaction referred to in Article L. 225-208 of the French Commercial Code or carried out within the framework of Articles L. 3332-1 et seq. of the French Labour Code; or
- within two years of their repurchase, in payment or in exchange for assets acquired by the Company in the context of an external growth transaction, merger, demerger, or partial asset contribution,

acknowledges that the maximum number of shares that may be purchased pursuant to a transaction provided for in this resolution may not, at any time, exceed 10% of the total number of shares forming the Company's share capital, it being specified, on the one hand, that when they are purchased for use in payment or exchange for assets acquired by the Company in the context of an external growth operation, merger, demerger or partial asset contribution, the number of shares acquired shall not exceed 5% of the total number of shares forming the Company's share capital, and on the other hand, in accordance with the law, the Company shall not at any time hold a number of shares representing more than 10% of its share capital;

acknowledges that if the repurchased shares are not used for one of the purposes and within the time limits mentioned above, they shall be automatically cancelled, it being specified that the Management Board shall be authorised to use the repurchased shares for another of the purposes set out above (and in accordance with the above time limits),

resolves to set the minimum purchase price per share (excluding fees and commissions) at GBP 1.50 (in accordance with the report prepared by the independent expert pursuant to Article L. 225-209-2 of the French Commercial Code), or its equivalent value in euros on the date of use of this authorisation, and the maximum purchase price per share (excluding fees and commissions) at the lower of the following two values:

- GBP 3.30, or its equivalent value in euros on the date of use of this authorisation, in accordance with the report prepared by the independent expert pursuant to Article L. 225-209-2 of the French Commercial Code; and
- the higher of the following two amounts:
 - 105% of the average mid-market quotation for one ordinary share of the Company, as derived from the London Stock Exchange Daily Official List, over the five business days preceding the day on which the ordinary share of the Company is purchased; and
 - the higher of the last independent transaction price of an ordinary share of the Company and the current highest independent offer price for an ordinary share of the Company on the trading venue where the purchase is made,

5. REPORT OF THE MANAGEMENT BOARD ON THE PROPOSED RESOLUTIONS CONTINUED

subject, for both the minimum and maximum purchase price, to adjustments related, where applicable, to securities transactions (in particular in the event of a capitalisation of reserves and a free share award, or a share split or share consolidation) occurring during the term of this authorisation,

resolves that the purchase price per share under this authorisation will be set by the Management Board,

acknowledges that the price of the repurchased shares will be paid by drawing on any available reserve or premium account,

grants full powers to the Management Board, with the option of sub-delegation to the Chairman of the Management Board or, in agreement with the latter, to one or more of its members, for the purpose of implementing this authorisation and in particular:

- place all stock exchange orders, enter into all agreements authorised by law, carry out all formalities, delegations and filings with the competent stock exchange authorities and any other competent body and, generally, do whatever is necessary;
- where applicable, acknowledge the cancellation of the repurchased shares when they are not used for one of the purposes and within the time limits mentioned above, and the definitive completion of the resulting share capital reduction, and ensure the completion of all acts, operations and legal formalities, including registration with the tax authorities, relating to the share capital reduction; and
- amend the Company's articles of association accordingly.

This authorisation is granted for a period of twelve (12) months from the date of this Shareholders' Meeting, it being specified that if, during the term of this authorisation, the Company's shares are admitted to trading on a regulated market or on a multilateral trading facility in accordance with French law, this authorisation shall automatically terminate without retroactive effect.

This authorisation is granted from the day of this Shareholders' Meeting and renders ineffective from that day onwards the unused portion of any prior authorisation for the same purpose.

EXTRAORDINARY RESOLUTIONS

RESOLUTION 11: AMENDMENT OF ARTICLE 10 OF THE ARTICLES OF ASSOCIATION – DIRECTOR REPRESENTING EMPLOYEES

PRESENTATION

It is proposed that shareholders approve an amendment to Article 10 of the Company's articles of association in order to comply with the provisions of Article L. 225-27-1 of the French Commercial Code and determine the terms and conditions for the appointment of the two directors representing the employees. As the Company meets the threshold provided in Article L. 225-27-1 of the French Commercial Code for the appointment of directors representing the employees, in accordance with said article, the Company's Articles of Association needs to be amended to include the designation process in compliance with French law.

The appointments will also allow the Company to comply with Provision 5 of the UK Code, which requires that the board should understand the views of the company's other key stakeholders, including its workforce. To facilitate effective engagement with the company's workforce, the UK Code recommends that a UK-listed company adopt one or

a combination of: (a) a director appointed from the workforce; (b) a formal workforce advisory panel; or (c) a designated non-executive director. The designation of two directors representing employees will allow the Company to meet this requirement, and the Supervisory Board is satisfied that they will provide a means to further improve its engagement with the workforce through their direct participation in the activities of the Supervisory Board.

The full terms of the proposed new paragraph 5 in Article 10 are provided in full below. A copy of the proposed amendments to the Articles of Association, together with a copy of the existing Articles of Association including the changes being proposed, will be available on the Company's website ([General Assembly | CANAL+](#)) and on the National Storage Mechanism at <https://data.fca.org.uk/#/nsm/nationalstoragemechanism>. The remaining articles of association are unchanged.

PROPOSED INSERTION OF A NEW PARAGRAPH 5 IN ARTICLE 10 OF THE ARTICLES OF ASSOCIATION

- one director representing the employees where the Supervisory Board is composed of eight members or fewer;
- two directors representing the employees where the Supervisory Board is composed of more than eight members.

The number of members of the Supervisory Board shall be assessed as of the date of appointment of the directors representing the employees. Directors representing the employees shall not be taken into account for the purposes of this calculation.

Pursuant to applicable statutory provisions, the director representing the employees shall be designated by the trade union having obtained the highest number of votes in the first round of the elections referred to in Articles L. 2122-1 and L. 2122-4 of the French Labour Code within the Company and its direct or indirect subsidiaries having their registered office in France, in accordance with the procedures set out in Section III-3 of Article L. 225-27-1 of the French Commercial Code.

Provided that, as of the date of such designation, the Supervisory Board comprises at least eight members appointed by the Shareholders' Meeting, the Supervisory Board shall also include a second director representing the employees designated by the trade union having obtained the second highest number of votes in the first round of the elections referred to in Articles L. 2122-1 and L. 2122-4 of the French Labour Code within the Company and its direct or indirect subsidiaries having their registered office in France.

In the event that, as of the date of renewal of the terms of office of the Supervisory Board's directors representing the employees:

- a Group Committee has been established (but no European Works Council), both directors representing the employees shall be designated by the Group Committee (rather than by the trade unions); or
- both a Group Committee and a European Works Council have been established, the first director representing the employees shall be designated by the Group Committee and the second director representing the employees by the European Works Council; or

5. REPORT OF THE MANAGEMENT BOARD ON THE PROPOSED RESOLUTIONS CONTINUED

Directors representing the employees must hold an employment contract with the Company or one of its direct or indirect subsidiaries having their registered office in France, entered into at least two years prior to the date of their appointment and corresponding to actual employment. The term of office of a director representing the employees shall be subject to the incompatibilities provided for by law.

The term of office of directors representing the employees of the Supervisory Board shall be four years and shall expire at the close of the Ordinary Shareholders' Meeting called to approve the financial statements for the last financial year of their term.

The conditions relating to eligibility, training, exercise of the term of office, replacement, removal, and cases of early termination of the term of office of Supervisory Board's directors representing the employees shall be governed by the rules set out in Articles L. 225-28 to L. 225-34 of the French Commercial Code.

In the event of a vacancy, for any reason whatsoever, of a director representing the employees, the vacant seat shall be filled in accordance with the conditions set out in Article L. 225-34 of the French Commercial Code. The term of office of the newly designated employee representative member shall expire at the end of the normal term of office of the other employee representative members. In addition to the provisions of Article L. 225-29, paragraph 2, of the French Commercial Code, it is specified, to the extent necessary, that the failure to designate a director representing the employees, where such failure is not attributable to the Company, shall not affect the validity of the resolutions of the Supervisory Board.

Save as otherwise provided in this Article or by applicable law, directors representing the employees shall have the same status, powers and responsibilities as the other members appointed by the Shareholders' Meeting.

Directors representing the employees shall not be required to hold a minimum number of shares.

Directors representing the employees, designated in accordance with the conditions set out in paragraph 5 of this Article, shall not be taken into account in determining the minimum or maximum number of members of the Supervisory Board.

ELEVENTH RESOLUTION (AMENDMENT TO THE ARTICLES OF ASSOCIATION TO SET THE TERMS AND CONDITIONS FOR APPOINTING THE MEMBERS OF THE SUPERVISORY BOARD REPRESENTING EMPLOYEES)

The Shareholders' Meeting, voting under the quorum and majority conditions required for extraordinary shareholders' meetings, having reviewed the report of the Management Board and in accordance with Article L. 225-79-2 of the French Commercial Code, **resolves** to insert a new paragraph 5 after paragraph 4 of Article 10 of the Company's articles of association "Composition of the Supervisory Board" drafted as follows:

Save as otherwise provided in this Article or by applicable law, directors representing the employees shall have the same status, powers and responsibilities as the other members appointed by the Shareholders' Meeting.

Directors representing the employees shall not be required to hold a minimum number of shares.

Directors representing the employees, designated in accordance with the conditions set out in paragraph 5 of this Article, shall not be taken into account in determining the minimum or maximum number of members of the Supervisory Board."

and **acknowledges** that the remaining articles of association are unchanged.

RESOLUTION 12: DELEGATION OF AUTHORITY TO THE MANAGEMENT BOARD – EMPLOYEE SHAREHOLDING PROGRAM

PRESENTATION

As the existing authorisation is due to expire in February 2027, it is proposed that shareholders renew, within the limit of 1% of the share capital, the delegation of authority given to the Management Board, in order to enable it to implement, both in France and abroad, capital increases reserved for employees of the Company and subsidiaries of the Group, for a period of twenty-six months.

This is in line with the Company's intention to continue to closely involve all the Group's employees in its development, to encourage their participation in the capital and to strengthen the convergence of their interests and those of the Company's shareholders.

The maximum nominal amount of the increases likely to be carried out is set at 1% of the share capital on the date of the Management Board's decision, it being specified that this amount will be deducted from the overall ceiling provided for in Resolution 14 of this Shareholders' Meeting or, where applicable, from the overall ceiling that may be provided for by a resolution of the same nature that may succeed the said resolution during the period of validity of this delegation. This delegation entails the cancellation of shareholders' pre-emptive subscription rights.

The issue price of the shares, in the event of the implementation of this delegation, will be determined under the conditions set out in Articles L. 3332-18 et seq. of the French Labour Code and will be at least equal to 70% of the Reference Price (as defined below) or 60% of the Reference Price when the lock-up period provided for by the plan pursuant to Articles L. 3332-25 and L. 3332-26 of the French Labour Code is greater than or equal to ten years (it being specified that the levels of discounts mentioned in the law may be modified in the event of changes in the regulations in force). The Reference Price refers to a price determined in accordance with the objective methods used for the valuation of shares, taking into account, according to a weighting appropriate to each case, the net accounting position, profitability and business prospects of the Company, these criteria being assessed on a consolidated basis or, failing that, determined by dividing by the number of existing securities the amount of net assets revalued according to the most recent balance sheet, in both cases under the conditions provided for in Article L. 3332-20 of the French Labour Code.

This authorisation is granted for a duration of 26 months (i.e. until 29 July 2028) from the date of the Shareholders' Meeting and renders ineffective from that day onwards the unused portion of any prior authorisation with the same purpose. This delegation, subject to its adoption, replaces Resolution 9 given by the Shareholders' Meeting on 9 December 2024.

The nominal amount of any capital increase carried out pursuant to the authority delegated under Resolution 12 shall be deducted from the overall ceiling of €82 million provided for in Resolution 14 of this Shareholders' Meeting.

1. **delegates** its authority to the Management Board, with the option of sub-delegation within the limitations provided for by law, for the purpose of deciding on a share capital increase with cancellation of the shareholders' preemptive subscription right, on one or more occasions, in France or abroad, in the proportion and at the periods that is shall see fit, either in euros or in any other currency or monetary unit established by reference to several currencies, with or without a premium, whether or not in return for payment, through the issue of (i) shares of the Company (excluding preferred shares) and/or (ii) securities governed by Articles L. 228-91 et seq. of the French Commercial Code giving access, immediately or in the future, at any time or on a fixed date, through subscription, conversion, exchange, redemption, presentation of a voucher or in any other manner, to the Company's share capital (including equity securities entitling the holder to the allocation of debt securities), reserved for members of one or more company or group savings plans (or any other plan whose members are entitled under Articles L. 3332-1 et seq. of the French Labour Code or any similar law or regulation that would allow a share capital increase to be reserved under equivalent conditions) set up within a French or foreign company or group of companies falling within the scope of consolidation or combination of the Company's accounts pursuant to Article L. 3344-1 of the French Labour Code; it being specified that this resolution may be used to implement leverage formulas;
2. **resolves** to set the limits on the amounts of the share capital increases authorised, in the event that the Management Board uses this delegation of authority, as follows:
 - the maximum nominal amount of share capital increases that may be carried out immediately or in the future pursuant to this delegation is set at 1% of the share capital outstanding on the date of the Management Board's decision, it being specified that this amount shall be charged against the aggregate ceiling provided for in paragraph 2 of the 14th resolution of this Shareholder's Meeting or, as the case may be, against the ceiling provided by a resolution of the same kind that may succeed the said resolution during the validity period of this delegation;
 - to these ceilings shall be added, where applicable, the nominal amount of the shares to be issued to preserve, in accordance with legal and regulatory provisions and, where applicable, contractual provisions providing for other cases of adjustment, the rights of holders of securities giving access to the share capital or other rights giving access to the share capital;
3. **resolves** that the subscription price for the new shares or securities giving access to the share capital will be determined under the conditions provided for in Articles L. 3332-18 et seq. of the French Labour Code and will be at least equal to 70% of the Reference Price (as defined below) or 60% of the Reference Price when the lock-up period provided for in the plan pursuant to Articles L. 3332-25 and L. 3332-26 of the French Labour Code is greater than or equal to ten (10) years (it being specified that the discount levels mentioned in this paragraph may be modified in the event of changes in the regulations in force). For the purposes of this paragraph, the Reference Price means a price determined in accordance with objective methods used for the valuation of shares, taking into account, with appropriate weighting in each case, the net book value, profitability, and business prospects of the company, these criteria being assessed on a consolidated basis or, failing that, determined by dividing the amount of net assets revalued according to the most recent balance sheet by the number of outstanding shares, in both cases under the conditions provided for in Article L. 3332-20 of the French Labour Code.
4. however, the Shareholders' Meeting expressly **authorises** the Management Board, if it deems it appropriate, to reduce or eliminate the aforementioned discount relative to the Reference Price, within legal and regulatory limits, in order to take into account, in particular, the legal, accounting, tax, and labour regulations applicable locally;
5. **authorises** the Management Board to award for free, to the beneficiaries indicated above, in addition to the shares or securities giving access to the share capital, shares or securities giving access to the share capital to be issued or already issued, as a substitute for all or part of the discount on the Reference Price and/or as a matching contribution, it being understood that the benefit resulting from this award shall not exceed the legal or regulatory limits pursuant to Articles L. 3332-10 et seq. of the French Labour Code;
6. resolves to cancel, in favour of the beneficiaries mentioned above, the shareholders' preemptive subscription rights for the securities covered by this resolution, with shareholders also waiving, in the case of a free share award or a free grant of securities giving access to the share capital to the above-mentioned beneficiaries, any right to the said shares or securities giving access to the share capital, including part of the reserves, earnings or premiums which would be incorporated into the capital, on the basis of the free grant of said securities made on the basis of this resolution;
7. **authorises** the Management Board, under the terms of this delegation, to sell shares to members of a company or group savings plan (or similar plan) as provided for in Article L. 3332-24 of the French Labour Code, it being specified that share transfers made at a discount to members of one or more employee savings plans referred to in this resolution will be charged against from the nominal amount of the shares thus transferred from the ceilings provided for in paragraph 2 above;
8. **resolves** that the Management Board shall have full powers to implement this delegation of authority, with the option of sub-delegation, within the limitations provided for by law, in particular to:
 - decide on the issue of shares and/or securities giving immediate or future access to the Company's share capital;

As the existing authorisations permitting an increase in the Company's share capital are due to expire in February 2027, and in order to allow the Company to maintain its financial flexibility, it is proposed that shareholders delegate to the Management Board the powers to:

- *to increase the number of shares to be issued in the event of a capital increase with pre-emptive subscription rights, at the same price as that used for the initial issue and within the time limits provided for by the regulations applicable on the date of issue (currently, within thirty days of the closing of the subscription and within the limit of 15% of the initial issue), in particular with a view to granting an over-allotment option in accordance with market practice (**Resolution 15**). The nominal amount of any such capital increase will be deducted from the ceiling stipulated in the resolution under which the initial issue is*

decided and from the overall ceiling provided for in Resolution 14. Resolution 15, subject to its adoption, replaces Resolution 7 given by the Shareholders' Meeting on 9 December 2024.

These authorisations are granted for a duration of 26 months (i.e. until 29 July 2028) from the date of the Shareholders' Meeting and render ineffective from that day onwards the unused portion of any prior authorisation with the same purpose.

The nominal amount of any capital increase carried out pursuant to the authority delegated under Resolution 15 shall be deducted from the overall ceiling of €82 million provided for in Resolution 14 of this Shareholders' Meeting.

The Management Board will not be able to make use of the delegations granted under Resolutions 14 and 15 from the filing by a third party of a public offer for the Company's securities until the end of the offer period. The Management Board may not use these delegations without the prior authorisation of the Supervisory Board.

As at the date of this report, the Management Board has no present intention of exercising the authorities granted under Resolutions 13, 14 and 15.

A summary of the authorisations and delegations given to the Management Board, including those proposed for renewal, is included in appendix to this report.

THIRTEENTH RESOLUTION (DELEGATION OF AUTHORITY TO THE MANAGEMENT BOARD TO INCREASE THE COMPANY'S SHARE CAPITAL THROUGH THE INCORPORATION OF PREMIUMS, RESERVES, EARNINGS, OR OTHER AMOUNTS)

The Shareholders' Meeting, voting under the quorum and majority conditions required for extraordinary shareholders' meetings, having reviewed the report of the Management Board and in accordance with the provisions of Articles L. 225-129-2 and L. 225-130 of the French Commercial Code:

delegates to the Management Board, with the option of sub-delegation within the limitations provided for by law, the authority to decide and carry out one or more share capital increases, in the proportion and at the times it deems appropriate, by incorporation of premiums, reserves, earnings, or other amounts, the capitalisation of which is permitted under applicable law and the Company's articles of association, and in the form of an issue of new equity securities or an increase in the par value of existing equity securities, or by using both of these methods in combination,

resolves to set the limits on the amounts of the authorised share capital increases in the event that the Management Board uses this delegation of authority as follows:

- the maximum nominal amount of the share capital increases that may be carried out under this delegation shall not exceed EUR 100 million or the equivalent in any other currency or monetary unit established by reference to several currencies, it being specified that this maximum amount is autonomous and shall not be charged against the overall ceiling provided for in the 14th resolution of this Meeting or, where applicable, against the ceilings provided for in resolutions of the same kind that may succeed the said resolution during the validity period of this delegation;

- to this ceiling shall be added, where applicable, the nominal amount of the shares to be issued necessary to preserve, in accordance with legal or regulatory provisions and, where applicable, contractual provisions providing for other cases of adjustment, the rights of holders of securities giving access to the share capital or other rights giving access to the share capital;

in the event that the Management Board uses this delegation of authority, **delegates** to the latter all powers to implement this delegation, with the option of sub-delegation within the limitations provided for by law, in particular to:

- set the amount and nature of the sums to be incorporated into the capital, set the number of new equity securities to be issued and/or the amount by which the par value of existing equity securities will be increased, set the dividend entitlement date of the shares issued (even retroactively) or the date on which the increase in the par value of existing equity securities will take effect;
- decide, in the event of a free share award, that fractional rights shall not be negotiable or transferable and the corresponding equity securities shall be sold in accordance with the terms and conditions set by the Management Board, it being specified that the sale and the allocation of the sums resulting from the sale shall take place within the period provided for by Article R. 225-130 of the French Commercial Code;
- make any adjustments intended to consider the impact of transactions on the Company's share capital or shareholders' equity, in particular in the event of a change in the par value of the share, a share capital increase through the incorporation of reserves, a free share award, a split or consolidation of securities, the distribution of dividends, reserves or premiums or any other assets, capital amortisation, or any other transaction involving the share capital or shareholders' equity (including in the event of a takeover offer and/or change of control);
- set, in accordance with legal and regulatory provisions and, where applicable, contractual provisions providing for other preservation measures, any terms and conditions to ensure, where applicable, the preservation of the rights of holders of securities giving access to the share capital or other rights giving access to the share capital (including through cash adjustments);
- acknowledge the completion of each share capital increase and amend the articles of association accordingly;
- more generally, enter into all agreements, take all measures and carry out all formalities necessary for the issue, admission for trading and financial servicing of the securities issued pursuant to this delegation, as well as for the exercise of the rights attached thereto;

sets the term of validity of the delegation of authority covered by this resolution at twenty-six (26) months from the date of this Meeting;

acknowledges that this delegation renders ineffective, as of today, to the extent applicable, up to the unused part, any previous delegation having the same purpose, i.e., any delegation of authority relating to the increase of the Company's share capital through the incorporation of premiums, reserves, earnings, or other amounts.

5. REPORT OF THE MANAGEMENT BOARD ON THE PROPOSED RESOLUTIONS CONTINUED

FOURTEENTH RESOLUTION (DELEGATION OF AUTHORITY GRANTED TO THE MANAGEMENT BOARD TO INCREASE THE COMPANY'S SHARE CAPITAL BY ISSUING SHARES AND/OR SECURITIES GIVING IMMEDIATE OR FUTURE ACCESS TO THE SHARE CAPITAL, WITH MAINTENANCE OF THE SHAREHOLDERS' PREEMPTIVE SUBSCRIPTION RIGHT)

The Shareholders' Meeting, voting under the quorum and majority conditions required for extraordinary shareholders' meetings, having reviewed the report of the Management Board and the special report of the Statutory Auditor, in accordance with the provisions of Articles L. 225-129 et seq. of the French Commercial Code, in particular Articles L. 225-129, L. 225-129-2, L. 225-132 to L. 225-134 and L. 228-91 et seq. of the French Commercial Code:

delegates its authority to the Management Board, with the option of sub-delegation in accordance with the conditions provided for by law, for the purpose of deciding on a share capital increase with maintenance of the shareholders' preemptive subscription right, on one or more occasions, in France or abroad, in the proportion and at the periods that it shall see fit, either in euros or in any other currency or monetary unit established by reference to several currencies, with or without a premium, whether or not in return for payment, through the issue of (i) shares of the Company (excluding preferred shares) and/or (ii) securities governed by Articles L. 228-92 al 1 of the French Commercial Code giving access, immediately or in the future, at any time or on a fixed date, through subscription, conversion, exchange, redemption, presentation of a voucher or in any other manner, to the Company's share capital, it being specified that the share release may be carried out in cash, by offsetting receivables and/or by incorporating reserves, earnings, or premiums;

resolves to set the limits on the amounts of the share capital increases authorised, in the event that the Management Board uses this delegation of authority, as follows:

- the maximum nominal amount of the share capital increases that may be carried out immediately or in the future pursuant to this delegation shall not exceed EUR 82 million or the equivalent in any other currency or monetary unit established by reference to several currencies, it being specified that this maximum overall nominal amount of the share capital increases that may be carried out pursuant to this delegation and those granted pursuant to the 12th and 15th resolutions of this meeting is set at EUR 82 million or the equivalent in any other currency or monetary unit established by reference to several currencies;
- to these ceilings shall be added, where applicable, the nominal amount of the shares to be issued to preserve, in accordance with legal and regulatory provisions and, where applicable, contractual provisions providing for other cases of adjustment, the rights of holders of securities giving access to capital or other rights giving access to capital;

in the event that the Management Board uses this delegation of authority:

- **resolves** that the issue(s) will be reserved preferentially for shareholders, who will be able to subscribe on an irreducible basis in proportion to the number of shares they own;
- **acknowledges** that the Management Board will have the option of implementing a reducible subscription right;

- **acknowledges** that this delegation of authority automatically entails, for the benefit of the holders of securities issued giving access to the Company's capital, the waiver by shareholders of their preemptive subscription rights to the shares to which these securities will give entitlement immediately or in the future;
- **acknowledges** that, in accordance with Article L. 225-134 of the French Commercial Code, if the subscriptions made on an irreducible basis and, where applicable, reducible basis, have not absorbed the total share capital increase, the Management Board may use, under the conditions provided for by law and in the order it determines, one and/or more of the following options:
 - allocate at its discretion all or some of the shares or, in the case of securities giving access to capital, the said securities whose issue has been decided but which have not been subscribed;
 - offer to the public all or part of the shares or, in the case of securities giving access to capital, the said unsubscribed securities, on the French market or abroad;
 - more generally, limit the share capital increase to the amount of subscriptions received, provided that, in the event of the issue of shares or securities whose primary underlying security is a share, the amount of such issue represents, after the use, where applicable, of the two options referred to above, at least three-quarters of the increase decided upon;
- **resolves** that issues of share warrants of the Company may also be carried out by way of a free grant to existing shareholders, it being specified that any fractional allocation rights and the corresponding securities will be sold in accordance with the applicable laws and regulations,

resolves that the Management Board shall have full powers to implement this delegation of authority, with the option of sub-delegation, within the limitations provided for by law, in particular to:

- decide on the issue of shares and/or securities giving immediate or future access to the share capital of the Company or another company;
- decide on the amount of the issue, the issue price and the amount of the premium that may be requested at the time of issue or, where applicable, the amount of reserves, earnings or premiums which would be incorporated into the capital;
- set the dates, terms and conditions of the issue, the nature, number and characteristics of the shares and/or securities to be created;
- in the event of the issuance of debt securities, decide whether they are subordinated or not (and, where applicable, their subordination rank, in accordance with the provisions of Article L. 228-97 of the French Commercial Code), set their interest rate (in particular, fixed or variable interest, zero coupon or indexed) and, where applicable, provide for mandatory or optional cases of suspension or non-payment of interest, specifying their duration (fixed or indefinite); where applicable, mandatory or optional cases of suspension or non-payment of interest, determine their term (fixed or indefinite), the possibility of reducing or increasing the nominal value of the securities and other terms and conditions of issue (including the provision of guarantees or collateral) and amortisation (including repayment through the transfer of Company assets); as the case may be, these securities may provide for the Company's option to issue debt securities (whether or not they are assimilated) in payment of interest whose payment has been suspended by the Company, or take the form of complex obligations as defined by the stock exchange authorities (for example, due to their repayment or remuneration terms or other rights such as indexation, option rights); modify, during the term of the securities concerned, the terms and conditions referred to above, in accordance with the applicable formalities;

PARTICIPATION AT THE GENERAL MEETING – CDI HOLDERS

Information for holders of CREST DEPOSITARY INTERESTS

HOW TO PARTICIPATE AT THE GENERAL MEETING

Holders of CREST Depository Interests ("CDIs" or "CDI Holders") cannot give voting instructions directly to the Company. CDI Holders wishing to exercise their right to vote should liaise with their respective broker, intermediary or nominee account holder in CREST (the "CREST Account Holder") for further information on the processes and timelines for submitting voting instructions in respect of the General Meeting.

Any voting instructions sent directly to the Company will not be accepted.

The detail provided below for CDI Holders is for information purposes only, has not been verified by the Company and accordingly should not be relied on by persons who hold their interests through CREST, and should not be treated or used as a substitute for enquiries by such persons or on their behalf. Persons who hold their interests through CREST should liaise directly with their CREST Account Holder or other intermediary to ensure they receive up to date information on the processes and timelines for submitting proxy votes for the General Meeting.

OPTION 1: ATTENDING IN PERSON

(CDI Holders unable to attend in person, refer to Option 2)

If a CDI Holder wishes to attend the General Meeting and cast its votes in person, then the CDI Holder should liaise with its CREST Account Holder ahead of the General Meeting to enquire as to the process for attending the General Meeting in person, including whether an admission card may be obtained.

OPTION 2: CDI HOLDERS UNABLE TO ATTEND IN PERSON

CDI Holders who cannot attend the meeting in person should liaise with their **CREST Account Holder** for further information on the processes and timelines for submitting voting instructions in respect of the General Meeting. Further details in relation to proxy voting services may be accessible to CREST participants on the EUI "My Euroclear" website (<https://my.euroclear.com>).

The CDI Holder should consult with its CREST Account Holder at the earliest opportunity for further information on the processes and timelines for submitting its votes for the General Meeting. In particular, the CDI Holder will need to contact its CREST Account Holder for details of: (i) the means of communication which can be used to send its voting instructions to them; and (ii) the latest deadline (date and time) to lodge its voting instructions with CREST Account Holder.

It is important to note that the voting deadline applicable to CDI Holders is likely to be earlier than, often **at least two business days prior to**, the Company's proxy appointment deadline (Thursday, 28 May 2026 at 3.00pm (Paris time)). For this reason, it is important that the CDI Holder confirm the precise voting deadline with its CREST Account Holder.

CREST Account Holders or brokers holding CDI interests for clients in CREST are strongly encouraged to familiarise themselves with the applicable proxy voting arrangements, including the voting deadlines and procedures, and to take, as soon as possible, any further actions required before they can avail themselves of the proxy voting service.

However, if the transfer takes place before 00:00 (Paris time) on the fifth business day preceding the date of the General Meeting, the authorised financial intermediary holding the account will notify the financial institution designated above of the transfer and provide the information needed to cancel the vote or modify the number of shares and votes corresponding to the vote.

No transfer of shares made after 00:00 (Paris time) on the fifth business day preceding the date of the General Meeting, by whatever means, will be notified or considered, notwithstanding any agreement to the contrary.
