

9 April 2025

Ariston Group approves the Annual Report 2024, including the Sustainability Statement 2024

Following the approval of the 2024 financial results, as communicated on March 5, 2025

The Board of Directors of Ariston Holding N.V., during today's meeting, approved the complete Annual Report 2024. This includes, among others, the Corporate Governance Report, the Report of the Non-Executive Directors, the Statement of Responsibilities for the Annual Report, the Remuneration Report, and the Independent Auditor's Report.

The Governance Report includes the Sustainability Statement 2024, prepared in accordance with the European Sustainability Reporting Standard (ESRS) and aligned with the Company's 2030 sustainability strategy ("Road to 100") published in 2023.

The annual report has been prepared in accordance with the Dutch Civil Code and the applicable International Financial Reporting Standards (IFRS).

All the documents are available at the corporate offices of the Company in Milan, Via Broletto 44, at the authorized repository www.1info.it and on the corporate website www.aristongroup.com in the "Investors" section.

The Board of Directors is responsible for preparing the Annual Report, inclusive of the management report, the full year consolidated financial statements and the Company-only financial statements at 31 December 2024, in accordance with the Dutch Financial Supervision Act and the applicable International Financial Reporting Standards (IFRS).

About Ariston Group

Ariston Group is a global leader in sustainable thermal comfort that offers a unique, extensive range of solutions for climate comfort, water heating and air handling, as well as components and burners. Listed on Euronext Milan since November 2021, in 2023 the group reported almost 3.1-billion-euro revenues, with over 10,000 employees, direct presence in 40 countries in 5 continents, 29 production sites and 29 research and development centers. The group demonstrates its commitment to sustainability through the development of renewable and high efficiency solutions, such as heat pumps, water heating heat pumps, hybrids, domestic ventilation, air handling and solar thermal systems. The group also stands out for its continuous investment in technological innovation, digitalization, and advanced connectivity systems. The group operates under global strategic brands Ariston, Elco and Wolf, and brands such as Calorex, NTI, HTP, Atag, Brink, Chromagen, Racold, as well as Thermowatt and Ecoflam in the components and burners business.
